THE TEN COMMANDMENTS

Exodus 20:1-17

3rd Sunday of Lent - Year B

In the First Reading this week we hear about the Lord delivering the 10 Commandments to Moses. Year 6 has been analysing Moses as part of their Leadership learning in Religious Education. They identified a variety of leadership characteristics in Moses; he listened, trusted God, was a risk-taker, was courageous and brave, had spiritual integrity, confronted others, served God and was humble and sought justice. Moses truly listened to God and fulfilled God’s will, even when he was scared. In exploring Leadership through the Scriptures, Year 6 has come to appreciate that leadership is about serving others.

Students reflected on the Gospel story of Jesus washing the Disciples feet and I would like to share with you some of their insights.

“On the day that Jesus had the Passover meal with his Disciples, he washed their feet. Many people would think that his actions were revolting, especially for the “King” and our “Saviour”, but in truth, Jesus’ actions symbolised equality. No one was or is above anyone else. Jesus served his people and that is what being a leader means. He loves us and cares for us in a way that no one could even think of measuring. I can wash someone’s feet by being a humble soul, serving others and spreading the Word of God”

Jerrica Tony

“Washing feet means empowering others. This is the message that Jesus is trying to send to us; by empowering others, you can also empower yourself”

Jose Alonzo

“Jesus washed people’s feet when he picked them up when they were down, when he helped the poor, healed the sick and talked common-sense into people who thought they were better than everyone else”

St Patrick’s Jubilee Mass
On Sunday, St Patrick’s Church celebrated its 50 year anniversary. Bishop Peter co-presided Mass with Father Tadeusz and Father Dariusz and the Church was filled with Parishioners past and present. The Holy Spirit was well and truly among us in God’s house. It was lovely to see so many of you and your families celebrating Mass with us and then coming together afterwards for a morning tea and a cutting of the cake.

I would especially like to acknowledge Jerrica Tony, Luke Hayhurst, Dominic Biscan, Catriona McBride, Sophie Collings, Charlie Duffy-Sykes, Cooper Irwin, Michala Ford, Thomas Costa, Madeline Williams, Anna Sanfilippo and Jamie Zocher for their liturgical prayer. You were reverent and graceful. As Bishop Peter said, liturgical dance is another way of praying and we thank you for leading us in this prayer.

Catholic Schools Week and the opening of the Tranquillity Garden
Next week all of the Catholic Schools in the Broken Bay Diocese are celebrating Catholic Schools Week. The theme this year is “Educating today for tomorrow”. Catholic Schools Week is about strengthening relationships between all those who have a stake in our schools – students, staff, families, priests, parishioners, and members of the wider community – by showcasing what happens in our classrooms every day. Our school will be celebrating through a Liturgy and Open classrooms on Monday the 9th March 2015.

9.00am: Whole School Liturgy in hall including the opening and blessing of the Tranquillity Garden
9.30am: Infant students and families will have time to explore the Tranquillity Garden
9.30am: Primary students will have open classrooms (20 minutes)
9.50am: Infants students will return to their classrooms and have open classrooms (15 minutes)

We warmly invite parents, carers, grandparents and friends to join us in this celebration of not only our school but also the new place of peace and tranquillity here at St Patricks.

Reunion Mass!
A special reunion Mass will be held on Sunday the 15th March 2015 for all the children who made their First Eucharist last year. This applies to those children currently in Year 4 and any other students in Year 5 or 6 who made the Sacrament of First Eucharist in 2014. Parents are asked to bring a plate and share in morning tea in the Jordan Room after Mass. The Parish is seeking readers for that Mass. If you are attending, please let Miss Fletcher know so that she may allocate a reading to your child.

Stations of the Cross
Next week all of the children at St Patrick’s will be attending the Church for Stations of the Cross. Today, I have included with this newsletter a Stations of the Cross Reflection for families. Each Station of the Cross includes a reflection, points for family discussion and a prayer. I would encourage you to use this resource throughout Lent and during Holy Week.
FROM OUR PRINCIPAL............

Catholic Schools Week
Next week is Catholic Schools Week. We will be opening the Tranquillity Garden on Monday morning where you are welcome to join us at the 9am assembly in the LARC and then experience the new garden with the children. This will be followed by the opportunity to visit your child and see the fantastic things going on in their classrooms.

Parish Jubilee Mass
Thanks to those parents and children who joined the parish in celebrating their 50 years in the church building. The liturgical dancers were a highlight and the coming together afterwards for morning tea and a play on the Big Yellow Bus and face painting was great fun. What a wonderful community event!

School Cross Country
What a glorious morning the children, staff and parents of the years 3-6 children (and some Year 2s also) had this morning at Adcock Park. The annual school cross country was held in superb autumn weather and each and every child participated with great energy and enthusiasm. Thank you to all of the parent helpers who ensured the success of the day and those children who ran well will have the opportunity to run in the diocesan cross country in the coming weeks.

Parent Teacher Interviews
Next week information will go out about Parent Teacher Interview times which are to be held the week starting the 23rd March. This is a very important opportunity to meet with your child’s class teacher to identify areas for growth this year. Please book in your time/s ASAP.

St Edward’s Orientation
Yesterday our Y6 boys headed down to Eddies to join with 150 other Year 6 boys from across the coast to experience life in high school. They all came back thoroughly impressed with the school and are now looking forward to starting there next year. I had very favourable reports from St Edward’s staff saying that the boys represented our school very well with their excellent behaviour and attitude. Well done boys!

Catholic Schools Mass
Last night a group of staff travelled to Waitara to celebrate Mass with Bishop Peter Comensolli and staff from the other Catholic Schools of the diocese. It was a wonderful celebration to witness over a thousand staff join together to share their faith. We were fortunate to welcome Ms Jacqueline Fletcher to the school community as our Religious Education Coordinator and also Miss Jade Conwell and Mrs Renee Rigney as teachers.

P & F Meeting
I look forward to meeting with as many parents as we can next Thursday evening at 7pm for the first P & F meeting of the year. It will be an opportunity for you to share your thoughts and ideas about the direction of the school and to discover – “Not what your school can do for you but what you can do for your school!”

Our ESL students are those whose first language is a language or dialect other than English and who require additional support to assist them to develop proficiency in English. As St. Patrick's is a growing multi-cultural school we would like to assist the parents of our ESL students by explaining school terminology, creating support groups or contacts in same language groups and providing an opportunity for you to ask questions, seek clarification and hopefully answers to your needs, here at school. Please come along to a morning tea in the Infants Library next Wednesday at 9am. If you know a parent who struggles reading English, please assist us by inviting them personally to the morning tea. Thank you, Michelle Perry and Fiona Bolton.

FROM THE MUSIC ROOM: with Mrs Suzie Morris

*Imagine if we were all the same! Man, that would be so lame!* Guy Sebastian’s song ‘Dare to be Different’ is a GREAT song – it is all about being different and that it is okay to dress a little different, like different things because that is just who you are! This is why we have chosen this song to be our Anti-bullying ‘anthem’ again this year – the kids love it, the lyrics are fantastic and it make us all feel great when we sing it.

We have been singing it in class and you can check it out at: [https://www.youtube.com/watch?v=bzF_SQmTZmU](https://www.youtube.com/watch?v=bzF_SQmTZmU) (beware of ads!). Ask your kids to show you how to make a square and sing along too.

*So throw a square in the air and sing with me!*
HELP NEEDED!!!!

From time to time families experience difficulties and hardship. Our Care Group, made up of volunteer parents and staff, provides assistance to families by providing meals on a roster basis, and other support when needed. This is an extremely valuable service, of which many of our families have been the grateful recipients. Each year we ask existing volunteers to confirm their availability again and for new volunteers. If this is something you think you could contribute to please email the school with your name and contact number maria.smith@dbb.catholic.edu.au ring on 4325 1159.

The more people on the roster the less times you are asked to provide a meal. Privacy is given utmost consideration: meals are dropped at school, no one is aware of who the recipient family is.

COMMUNITY NEWS..............

LOST—Maggie Pimm from KB has lost her Sport Hat—please check your child’s in case it has been picked up by mistake.

PRIVATE MUSIC TUTORS @ SCHOOL

At St Patricks we have a few external music tutors who come to school to conduct small group music tuition. If you would like your child to learn an instrument through a music tutor please refer to the adjacent flyer or contact The Central Coast Conservatorium of Music directly via http://www.centralcoastconservatorium.com.au/contactus

Please note these lessons are separate to the normal music class your child attends each week. All tuition fees are handled directly with the private tutor or the Conservatorium and timing of the lessons will be determined by the music tutor in conjunction with your classroom teacher.

If you have any questions regarding this please do not hesitate to contact Suzie Morris (Tues-Thurs) or at susan.morris@dbb.catholic.org.au

Interested in learning the guitar or keyboard at St Patricks through private/group tuition?

We have a number of music tutors that visit St Patricks to hold one-on-one and group lessons for students.

From The P&F ...

School Disco
We had a great turnout to our “Welcome 2015” disco. It was great to see so many smiling children enjoying themselves. Of course without the help of our many parents and carers, a disco would not be possible. A heartfelt thanks to all the mums, dads, granddads and brothers and sisters who donned the “orange” vest to supervise and work canteen last Friday. We truly could not do it without you. A special thanks to the Minnie Vinnie’s children who stayed back to clean up and set up the hall for Sundays celebrations. Your efforts were very much appreciated. And a special thanks to Tom Sands who ensured the hall was left clean and tidy! We are pleased to report the entry fee raised over $550 for our Minnie Vinnie’s.

P&F Term 1 meeting
Did you know the P&F is involved in the running of both our school canteens, co-ordinating the weekly Commonwealth Banking program and running the 2nd hand uniform shop? And that’s just a few of the things we do! To hear more about what we do and what is happening at school, come along to our term 1 meeting next Thursday 12 March at 7.00pm in the LARC (primary campus). We are a friendly group of parents and friends of St Patricks and we welcome new and old faces to a meetings. Light supper provided.

St Patrick’s Day
On Tuesday 17 March, our school will celebrate our patron saint, St Patrick’s Feast Day. The P&F will be opening the canteen to a “Green” theme day and providing a sausage sizzle lunch to all the children and staff. We are looking for -
- 2-3 people to help set up for the day from 9.00am – 10.30am
- 4 people to work in the canteen from 10.30am-11.30am and from 12.30 – 1.30pm.
- 3 BBQ cooks from 10.30am-12.30pm
- 16 lunchtime servers from 12.30-1.30pm (serve the children their sausage sandwich – 2 helpers needed per year)

Please contact Michelle on 0408 412 408 or email michellecormack@bigpond.com if you are able to fill one of these spots.

Trivia Night
Our annual trivia night (adults only) will be held on Saturday 21 March in the hall (primary campus)! It’s a great, fun night with lots of laughs and to get in the spirit of St Patricks Day we are asking for people to dress or decorate their tables in a St Patricks/Green/Irish Theme. Our prize co-ordinator Ange Stitt is doing an outstanding job sourcing some great prizes for our “Pick a prize” and “Silent Auction”. Plus the favourite coin toss will be in action again. Book a table or come solo - guarantee, we will find you a great table! We also thank those who have contributed to our prize pool – your generosity is greatly appreciated!  Call Maria on 4325 1159 or pop into the office to book and pay for tickets.

FROM THE PRESIDENT OF THE P&F, Rachael Brady
For a number of reasons, including an intention to commence studying again, I have decided that I need to step down from the role of President of the St Pats P&F. It is a role that I have really enjoyed and I intend to remain very active in the school community (and yes - I will still be attending P&F meetings!). I am really grateful for the dedication and hard work of the P&F executive – Michelle Cormack, Patti Cox and Annabel Cockerton – who really have carried most of the load in relation to the work of the P&F during my time as President.

This means that at next Thursday’s P&F meeting we will need to elect a new President. I encourage you to think about serving on the P&F - which makes such an important contribution to the school and the students. If you are interested in serving on the P&F in any capacity - even if not as President, could you please contact me, or any of the executive team, ahead of next week’s meeting - we would love to hear from you!

We also ask again for as many parents and carers as possible to attend the P&F meeting next Thursday evening. We require a minimum of 8 parents/carers in order to form a quorum to conduct a vote on any point of order.

Thank you everyone for your support of the P&F!

Family Discussion:
How do we work to overcome discouragement and hopelessness which can be part of family life today?

Prayer: Dear Jesus, even when things look very difficult and sad, we trust that God will bring new life and hope.

THE FIFTEEN STATION
Jesus rises from the dead.
Jesus’ tomb is empty. Jesus is alive!

Reflection:
In most churches we see 14 Stations of the Cross on the walls. In recent times we have been encouraged to add a 15th Station to complete The Way of the Cross with a celebration of Jesus’ rising to new life.

It is important to take time to thank God for your life, for the good things you have been able to do, for the people in your life, and for the good things that people have done for you. When you get up in the morning or when you go to bed at night, do you say “Thanks” to God for your life and for the wonderful things you can see, hear, feel, taste, and smell?

Jesus taught us that there is life after death and that he is always with us.

Family Discussion:
What could your family do to celebrate that Jesus loves us and is with us? For example, attend Easter Mass and school celebrations.

Prayer: Dear Jesus, help us to be always thankful for our families and to know that you live in our hearts and in the hearts of those we meet.

Concluding Reflection
Pope Francis has encouraged us to follow Christ on the way of the cross; he says this means, “sharing his merciful love, entering into his great work of mercy for each person and for all mankind. And this forgiveness passes through the cross.” (Sunday Angelus, St Peters Square, 8 September 2013)

It is hoped that praying The Way of the Cross will help your family to follow Christ and to understand his message of a forgiving and sustaining love for all.

1/2014 - This is part of a series of handouts on Nurturing Faith in Families published by the Parish Support Unit, Diocese of Broken Bay. For further information please contact Janette Davison, Diocesan Coordinator Family Life Ministries janette.davison@dbb.org.au

General Reflection
We are all born into a family, as Jesus was. We grow up in a family, as Jesus did. Whether we live alone or with several generations, we live most of our lives in the context of family relationships, as Jesus did. The Stations of the Cross (The Way of the Cross) is an enduring devotion which provides an opportunity for families to reflect on each of ‘The Stations’ can be applied to our daily lives. Many families cannot make it to Church for scheduled times for The Stations, they can however have a great impact on us by visiting a Church for a private family saying of The Stations or when they are said at home as a family. With young children they can be coupled with night time prayers and reflected on over several nights progressively. The most important element of this devotion is the effect it can have on our daily lives and how it can change our hearts.

What The Stations record are not moments of failure for Jesus or the people involved in His passion and death. They were moments of great courage, compassion and hope. The reflections focus on key moments in our lives. Some occur daily. They present an opportunity for family conversation around important life and relationship issues. Hopefully, this journey of faith will help us to experience courage, compassion and hope in our own ‘Way of the Cross’.

Please feel free to adapt the reflections, discussions and prayers to suit your particular family situations.
THE THIRD STATION

Jesus falls the first time.

Jesus finds the weight of the cross is heavy, he falls.

Reflection:
How often in the life of a family do we feel we are being crushed by the weight of our crosses (worries)? Are we able to laugh at/learn from our mistakes and forgive ourselves our more serious errors? Share a mistake you have made recently.

Think about the times you tried something new, failed and quit. Maybe with some help or advice, you could try again – and be successful!

Family discussion:
We need to get back up when we have fallen. Prepare children for the fact that whilst they might do their best, sometimes they may fail, but they will always have the love of their family and of Jesus.

Prayer: Dear Jesus, when things get hard for me I sometimes give up. You fell, but got up and kept going. Help me to get up when I fall and keep going.

THE SIXTH STATION

Veronica wipes the face of Jesus.

Veronica showed love for Jesus by her kindness and Jesus was grateful.

Reflection:
Share a time when you were kind to someone. How did being kind make you feel?

Family discussion:
As followers of Christ we need to reach out to those who feel left out and alone. Help us remember that like Veronica, we can ‘wipe someone’s face’ by extending a smile, a handshake, an encouraging word or a gift. Small kindnesses mean a lot because they can ripple and grow and affect others. Help children to see the many little ways they can be kind to others, perhaps watch a movie such as ‘Pay it Forward’.

Prayer: Dear Jesus, there are times when I see someone who is sad or lonely or worried. Just as Veronica wiped your face to comfort You, help me to always be kind to others in whatever way I can.

THE SEVENTH STATION

Jesus falls the second time.

Jesus falls a second time under the weight of the cross and the treatment of the guards.

Reflection:
Mistakes are not bad if we learn from them, keep trying in spite of them; sometimes they teach us to be more understanding of others. Consider the times you have, or have not, encouraged others to try again, especially when they made some silly mistakes.

Family Discussion:
When others stumble (make mistakes or have problems) offer to help. Involve your family in service projects that help others ‘get on their feet’. For example, St Vincent de Paul and Project Compassion.

Prayer: Dear Jesus, sometimes when things are going well for me, they are not going so well for others. Help me to watch out for others who need help and re-assure them that You are with them and will always hear their call.

THE EIGHTH STATION

Jesus speaks to the women of Jerusalem.

The women saw Jesus suffering and were very sad but Jesus gave them hope.

Reflection:
Every family experiences sadness and grief due to such things as death, separation, serious illness and addiction. Affirm the members of your family - tell them something special about them. Sometimes it is easy to just think about ourselves, about what is not going the way we want it, or about problems that we have. It is very hard, then, to think about how other people feel and about their sadness.

Family Discussion:
How do we comfort those who are sad? How can our children reach out to their friends who experience loss?

Prayer: Dear Jesus, I get selfish at times and think only of myself. Help me to reach out to others as you did. Help me to see the needs of others and put their needs above mine.

THE NINTH STATION

Jesus falls the third time.

Jesus falls down again dropping his cross but gets up.

Reflection:
When we have really tried to do our best, and have not been able to succeed, it is easy to feel like Jesus must have felt when he fell a third time. Sometimes people can be mean and criticize us for something we do, or make fun of the way we do something. There are times in our lives when we feel we can’t continue with something as we have tried and tried without success. In these times we need the help of Jesus and of others close to us to ‘pick ourselves up and start all over again’.

Family Discussion:
How do we cope with repeated struggles/worries? Share what you like to do when you are feeling worried? Would it help your family to have an activity that you enjoy? A ‘family ritual’ to help everyone let go of the ‘grumps’? What might it be for your family?

Prayer: Dear Jesus, help us to know that you will always be there to answer our call and to show us a way forward.

THE TENTH STATION

Jesus is stripped of his robes.

Jesus’ clothes are taken away.

Reflection:
To be without clothes in front of everyone is a humiliating and embarrassing experience.

Our bodies are sacred, special gifts from God, all bodies are precious. Stripped of our pride by, for example, being corrected in front of others, we can feel very embarrassed.

Family Discussion:
Think of times we may have been embarrassed or have embarrassed others. Try not to join in with others to embarrass somebody else. Treat others the way we want to be treated.

Prayer: Dear Jesus, help us to think before we do or say something that might embarrass others. Give us the strength and the courage to make the right decision even when doing the right thing is hard.

THE ELEVENTH STATION

Jesus is nailed to the cross.

Jesus forgives those who hurt Him.

Reflection:
We sometimes fail to realize that challenges are as much a part of life as rewards. When we are unfairly treated, forgiveness always helps and heals the forgiver.

Can you think of a time when someone hurt you with unkind words or actions? Was it hard for you to forgive that person?

Children can sometimes hurt others without understanding what they are doing. Sometimes they might join with friends and gang up against another.

Family Discussion:
When we do things that are unkind and hurtful we also hurt Jesus. Like being rude to parents or saying words that hurt others, we will be forgiven if we say sorry and try not to do the same thing again.

Perhaps you might attend a parish Reconciliation service as a family.

Prayer: Dear Jesus, sometimes I say or do hurtful things to others. Help me to bring Your love to others and cause them no hurt. Help me to say sorry and also to forgive others who are unkind to me.

THE TWELFTH STATION

Jesus dies on the cross.

Jesus dies for us all.

Reflection:
Death is never easy because it seems to have taken away all we have ever known about someone. We need to be aware of the hurt experienced by those who lose a loved one.

We are part of God’s family, and we must have compassion and kindness for all.
