Greetings,

On Monday we gathered together in Liturgy to celebrate and give thanks for Catholic Schools; especially our own school. We have a great deal to be thankful for! Students, teachers and families who attend Catholic Schools are able to work, grow, learn and journey in an environment that places Christ at the center of living and learning. We are linked to God and to each other like vines and branches.

During our liturgy we officially opened the Tranquility Garden. This garden is not only a place for students to reflect, breath and feel at peace; it is a place for teaching and learning. Father Tadeusz and I were watching the children wandering through the garden and were saying it is a perfect place to meet God in nature and talk to him in prayer.

Debbie our groundkeeper worked tirelessly to finish the Tranquility Garden so we were able to open it as part of our Catholic Schools Week celebrations; and might I add that Debbie and her crew has done a marvelous job! Judging by the children’s faces when they explored this new space, it is a huge hit! Thanks Debbie!

Stations of the Cross

This week every class will have attended Stations of the Cross in the Church. Father Tadeusz and Father Dariusz walked the children through the events of Holy Week as part of Lenten learning and in spiritual preparation for Holy Week; the most important time in our Catholic calendar. Last week a Stations of the Cross reflection was in the newsletter and I hope you are finding it a useful resource.

St Patrick’s Feast Day

Next Tuesday at 9.00am please join us in celebrating the feast of St Patrick; the patron saint of Ireland and of our school and parish. Millions of people around the world celebrate the life of this saint whose deep faith brought Christianity to Ireland. His example as a great follower of Jesus continues to burn brightly in the hearts of many people. Saint Patrick’s use of the shamrock to teach people about the Blessed Trinity continues to be a powerful tool used today!

After Mass we will return to class and learn more about our patron saint. At recess, the canteen has all things green! A flyer with canteen items and prices is attached. During the middle of the day we will all walk to Elizabeth Ross Park for games organized by our Sports captains and upon returning to school all the children will receive a free sausage sizzle.

Kindy Liturgy

Our Kindergarten children will gather together to pray in Liturgy next Wednesday, the 18th March 2015 in the Church. Parents and carers are invited and encouraged to come along and join in your child’s journey of faith. The liturgy begins at 9.00am.
FROM OUR PRINCIPAL

Catholic Schools Week
This week is Catholic Schools Week. To commemorate this, the Tranquility Garden was officially blessed and opened on Monday morning. In a beautiful ceremony we recognised Catholic Schools week and with Father Tadeusz blessing it was a great chance to experience the new garden inspired by Mrs Nicole Cumming and financed by the P&F Association with canteen funds. This was followed by Open Classrooms where parents visited their child’s classroom to witness the fantastic learning environment the children are blessed to have.

Infants Fun Run/Cross Country
Unfortunately the fun run had to be postponed this morning due to the inclement weather. We will be holding the infants cross country next Friday 20th at St Eddies. If you are able to help out on that day again that would be great.
**Parent Teacher Interviews**

In today’s newsletter is a flyer outlining the booking procedure for booking the Parent Teacher interviews to be held throughout the week after next. It is vital that you book your time before next Thursday 19 March as the site closes on this day and alternative arrangements will need to be made for your interview. The flyer gives you all the details about logging on and the school code to use. Please make sure you nominate your own child’s teacher. These interviews are a vital link between home and school and helps teachers share with the carers the progress presently being made.

**P & F Meeting**

Last night a large number of dedicated, enthusiastic parents gathered for the first Parents and Friends meeting of the year. There was much discussion about a variety of issues. I am sure that the P & F committee will share this information in the coming weeks. Thank you to all of the executive members for their hard work and dedication in ensuring the parents have a voice in the direction of the school.

**Swimming Success**

Last Tuesday evening our dedicated band of elite swimmers went to the diocesan trials at Mingara to trial for the Broken Bay Swimming Team. Our junior boys relay team of Nick Vane-Tempest, Sandor Torok, Kye Holliday and Brian Cho made the next level with both Brian and Nick also getting through with individual swims. Well done also to Sophie Holliday and Emma Cormack who both swam personal bests on the evening.

**Office Staff**

You may notice in the coming weeks a new face in the school office. Mrs Natalie Introna will be starting work as the Senior Administration Officer next week four days a week. Mrs Lyn Miles will finish up at St Pat’s at the end of the term whilst Mrs Colleen Carey will continue to work on Mondays. We welcome Natalie to the St Patrick’s community.

**Shade Sail**

The shade sail in the Primary Playground was severely damaged a few weekends back by a large storm that swept through the coast. We are presently in the process of removing this one but it may take a few weeks to have it replaced. In the meantime the children are utilising the small bits of shade we can find around the school.

**Year Six Debate**

Congratulations to our Year Six debating team who debated against Our Lady Star of the Sea, Terrigal on Tuesday. The team of Jerrica Tony, Jamie Zocher, Sophie Collins and Sophie Holliday, won the debate. The topic was “Stronger discipline is needed in schools?” The team took on the negative argument and reasoned their way to a resounding victory. They will debate against OLR Wyoming in the coming weeks. Congratulations!

- **Tuesday 24th March 2015**
- **Wednesday 25th March 2015**
- **Thursday 26th March 2015**
- **Friday 27th March 2015**

Interviews will run for 15 minutes. Interviews booked on Wednesday 25th March between 3:15pm and 8:30pm will be held in the hall on the primary campus. Interviews booked outside this time will be held in your child’s classroom.

You can now book interviews at times that suit **YOUR FAMILY BEST**.

Go to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) and follow these simple instructions.

Enter **THIS** school event code. Then follow the 3 simple steps.

Please look for your class teacher and select a time and **make a note of the time you select** and write in your diary.

When you click **finish**, your interview timetable will be emailed to you automatically - **check your junk mail folder** if you do not receive your email immediately. You can return to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) at any time, and change your interviews - until bookings close.

Please note:

For parents that don’t have access to the internet at home, at work, at a friend’s house or on their phones, please contact the school office.

Parents can change their interview bookings, any time prior to the closing date, by re-visiting the [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) website, and using the event code. Remember to use the same name and email address, you used when you made your original booking. Parents wishing to change their interview times after the closing date, should contact the school directly on: 4325 1159

**Bookings must be made by Thursday 19th March 2015**

as the site will not be available after this date.
DEBATING

Year 6 are participating in a Debating Competition with all the southern schools in the Central Coast Catholic Cluster.

On Monday a team of students from Year 6 (Madeline Williams, Jerrica Tony, Jamie Zocher, Dominic Biscan, Sophie Collings, Sophie Holliday, Dakota Xuereb, Nathaniel Stanley, Michala Ford and Antoinette Xuereb) competed against students from Our Lady Star of the Sea, Terrigal. They were the negative team, arguing against the topic, “There should be more discipline in schools!”

Our students were well prepared won this round of the competition.

A big thank you to Mrs Christine Ryan for supporting the students and of course, all the students! Congratulations!

FROM THE MUSIC ROOM with Mrs Suzie Morris

Year 1 have been working on rhythm patterns in Music over the last few weeks as we put symbols to sounds and start to write our rhythms down.

It is one thing to sing a song or write the words of that down but it is another to understand the rhythm pattern in terms of music symbols and be able to notate that.

I was very impressed with the Year 1s and their ability to sing/play ‘Kangaroo Sippy-Roo’ and then notate it using sticks AND then write this onto paper.

What a great job they did!
FROM OUR SPORTS CO-ORDINATOR, FIONA BOLTON

Cross Country

Last Friday all of Years 3-6 as well as 28 Year 2 students went to Adcock Park to compete in the school’s cross country event. Although it was a hot day, the students still competed enthusiastically with the race to the finish line being quite close in many of the age groups. A team of children will now be selected to compete in the CCC Cross country on May 1st at Adcock Park. A letter will go out to these students in the near future. Thankyou to all the parents who assisted on the day, especially those who were at checkpoints away from the finish line, and also the teachers who helped with the smooth running of the day.

Today we have our infants students running their cross country at St Edwards so best of luck to these students. I’m sure they’ll have fun.

Broken Bay Swimming Carnival at Mingara

Last Tuesday night six students from St Patrick’s represented the Central Coast Catholic Schools at the Broken Bay Swimming carnival at Mingara. All were successful achieving new personal bests on the night. The Junior Boys Relay team came second and now go on to swim at Homebush, representing Broken Bay at the NSW CPS Polding Carnival on Friday 20 March. Brian Cho will also represent Broken Bay in the 50m Junior Boys Butterfly and Nicholas Vane-Tempest in the Junior Boys 50 m Breaststroke and Individual medley at Homebush. Such a great effort from all our athletes.
A FEW WORDS FROM OUR P & F

Term 1 meeting

Thanks to all those who attended last night’s meeting. We had a wonderful turn out for our first meeting of the year. It was great to have new faces and many of our class pastoral parents in attendance. The meeting minutes will be issued over the coming weeks. Due to the resignation of Rachael Brady from the Presidents role there have been some changes to the executive committee – Angela Stitt steps into the position of Secretary and Michelle Cormack will fill the role as President. These positions will be held until our AGM in November. We thank Rachael for her commitment to P&F, she has been a positive & calming leader. We welcome Ange into the Exec Committee and look forward to her energetic contribution to the team!

St Patricks Day

The P&F will be hosting a **FREE BBQ sausage sizzle lunch next Tuesday**. Thanks to all our helpers who will make this day possible. If you’d like to lend a hand – pop into the primary canteen on the day. All help greatly appreciated. Flyer, roster and canteen menu are attached later in this newsletter. Please note the canteen will be open for snack food for recess and lunch. Lots of green cupcakes available at $1.20 each.

Trivia Night

Our Trivia night is getting closer. Still plenty of tickets available. $10 per person. Call into the office, ring Maria (ph. 4325 1159), send your money in your child’s note folder – plenty of ways to purchase your ticket! Theme is based on St Patrick’s Day – something Irish, something green! Looking forward to a fun evening – trivia, pick a prize, silent auction, coin toss, fashion parade. Ange Stitt has secured some great prizes – a full list will be provided in next week’s newsletter. If you’re interested in coming along but don’t have a table – contact Michelle on 0408 412 408 and we will find you one. Katie Talbot for KG is organising one for Kinder parents, Adrienne Prazauskas is getting a table together for year 6 and there is plenty of spots free on the Year 2 table just to name a few. Don’t be shy!

Mother’s Day Stall

Our annual Mother’s Day Stall will be held on **Thursday 7 May**. If you are interested in joining the committee, please contact Michelle on 0408 412 408 or email michellecormack@bigpond.com. Helpers needed to liaise with Patti on gift selection (need to be quick though – orders going in next week!), setting up the stall and helping the kids with gift selection. New mums warmly welcome to join the committee – it would be good to have some new faces on board to run this event.

A word of thanks to …

- Deb G for her fabulous work on the primary Garden project. The P&F are so proud of her efforts and contribution to our children’s playground. Thanks Deb!

- Renee Heaney for her dedication and commitment to our school canteens over the past 6 years. Renee was instrumental in running the canteen on a volunteer basis and we thank her for all the effort she put into this role. It was with Renee’s guidance and management that the P&F was able to raise funds over the past few years for the Garden project. Thanks Renee!
Please Sponsor Tara McMenamin
She’s the girl in 4 Gold she has beautiful long brown flowing hair!
BUT its about to Go,Go,Go!!!
Tara is loosing her hair for the leukaemia foundation (be brave & shave) to raise money and awareness for this fabulous worthy charity.
She will be loosing her locks on the 2 April 2015 this month, at assembly.
You can either place cash into the box held at the reception with our lovely Maria or you can click on this link and directly deposit into their account (this way you will receive a taxable receipt- we are unable to provide a receipt if you place money in the box)
Thanks very much for your support!
Please see below the long version of the URL to Tara’s fundraising page on the World’s Greatest Shave website:

Last Wednesday we held a morning tea with many of the parents of our ESL (English as a Second Language) students. Thank you to the many parents who took the time out of their busy schedules to spend some time discussing the complexities of school life for ESL families and how the school could assist them in supporting their children.

We have taken on board many of the questions / suggestions and are looking at ways to provide the best support. It was wonderful to see so many of our families joining together over a cuppa and building our St. Pat’s community. We are certainly privileged to have such a rich and diverse cultural presence in our school community and we hope to develop these partnerships even further.
DID YOU KNOW?

According to the most recent figures available (2012), the average net cost of educating a student in a NSW Catholic school was $11,532 per year. This is less than the cost of educating a student in a government school ($12,118) or in an independent, non-government school ($16,654). Despite this efficiency, Catholic schools still rely on Federal & State Governments for more than 75% of our funding needs. This is why funding support from Federal & State Governments must keep pace with rising education costs - to maintain education quality and to ensure a Catholic education remains affordable for all families.

SCHOOL BANKING

PLEASE SEND YOUR BANK BOOK IN ON WEDNESDAY

SCHOOL BANKING AWARD WINNERS
To encourage School Banking, each week we will have a Primary and Infant Canteen Reward—Winners for This Week

Increase good feelings at home

Strong families thrive on good feelings.

They are not devoid of conflict or criticism, but generally strong families are pleasant environments to be part of.

One way to increase good feelings in your family is to increase the number of compliments.

As a general rule, the ratio of compliments to criticism should be around five to one. That is, there should be five times more positive, affirmative comments than negative comments.

In unhealthy families this ratio is reversed. When the ratio gets to around five negative comments for every one positive comment, families can be quite toxic.

How does your family rate on this scale?

If you use children only as a measure I suspect that the compliment to criticism ratio will be a little scary.

Some siblings can be unkind to each other, and find it hard to say a pleasant word. This skews the ratio a lot and can make family life awful for everyone. BUT this can change over time.

Here are five ideas to help you alter the compliments to criticisms ratio:

1. Increase your own number of affirmations, compliments, affectionate phrases and kind remarks in order to skew the ratio a bit. Aim for a seven to one ratio. Not only is this good modelling for your kids, but it will make family-life more harmonious.

2. Keep a check on your use of good feeling (and self-esteem) killers. Eradicate comments such as: “Typical boy!” “If I’ve told you once I’ve told you a thousand times, don’t…” “What a stupid thing to say to your brother/sister!” Bite your tongue rather than say what you may be thinking.

3. Make kids aware of their language and the potential harm to self-esteem, not to mention family harmony, that constant criticism can cause. Use “I” statements to let kids know the impact of their negative talk on you. “When you talk so aggressively I feel quite scared about what you are going to do next.” It’s impossible for kids to disagree with “I” statements.

4. Develop the habit of following up a negative with a positive. When I was teaching I always tried to follow up the disciplining of a student with a compliment or some positive feedback so that we could maintain a good relationship. Do the same in your family. Follow up discipline, a rebuke or a negative comment with a positive act or comment. TEACH YOUR KIDS TO DO THE SAME!

5. Let the bad feelings out. Sometimes there can be such a build-up of ill-will between siblings that you need to let the bad feelings out. One way to do this is let a child vent to you about their sibling. You may not like what you hear but a clearing of the air can work wonders in terms of improving the family atmosphere.

All these suggestions start with you.

Like everything in family life, whatever you want from your kids, you must do first. So to increase good feelings in your home aim to keep to the compliment to criticism ratio at five to one or more!

Child restraint laws improve child road safety and state that all children under 7 years of age must be secured in an approved child restraint when travelling in a vehicle. More specifically,

- **Children up to 6 months of age** must be restrained in an approved rearward facing child restraint.
- **Children from 6 months to under 4 years of age** must be restrained in an approved rearward or forward facing child restraint.
- **Children from 4 to under 7 years of age** must be restrained in an approved forward facing child restraint or booster seat.
- **Children under 4 years of age** must not be in the front row of a vehicle that has two or more rows.
- **Children from 4 years to under 7 years of age** can only sit in the front row of a vehicle with two or more rows when all other seats are occupied by children under 7 years of age in approved child restraints or booster seats.

The ages specified above are a guide for children’s safety. If a child is too small for a restraint specified for their age, they should be kept in their current restraint for as long as necessary. If a child is too large for a restraint specified for their age, they may move to the next level of restraint.

A child between 6 months and 4 years of age will need to move to the next level of child restraint when

- Their shoulders no longer fit comfortably within the restraint; or
- Their eye-level is higher than the back of the restraint; or
- The top insertion slots for the shoulder straps are below the level of the child’s shoulders.

A child between 4 and 7 years of age will need to move to the next level of child restraint if

- Their shoulders no longer fit comfortably within the restraint; or
- Their eye-level is higher than the back of the booster seat (when measured perpendicularly from the seat back).

Children should remain in a child restraint for as long as physically possible.
