Greetings,

The entire school has thoroughly enjoyed WELL-BEING WEEK! We have had the opportunity to nourish ourselves mentally, physically, emotionally and spiritually. It was great to have been able to incorporate Adoration into Meditation Monday and pray each day to give thanks for what we have!

Having an attitude of gratitude is particularly relevant for us as Catholics. It is easy to overlook the little things in life that we are blessed with; the gifts and graces given to us by God. Exercising gratitude doesn’t just happen, it takes practice, and with that, it will eventually become routine.

I would highly recommend you watch the YouTube clip “A Good Day” featuring Brother David Steindl-Rast, a highly-respected Benedictine monk. It has an important message of grateful living. Your children have watched this during the week: https://www.youtube.com/watch?v=3Zl9puhwiyw

6 Gold exercised gratitude this week and here are some of their responses:

- **My life and everybody in it** – Michala Ford
- **My family, friends, talents and the wonderful basic needs I have** – Anonymous
- **Having a roof over my head, friends that I have and my family** – Anonymous
- **A roof over my head** – Adam Campbell-Taylor
- **My family who loves and cares for me so much – they believe in me and my dreams** – Jerrica
- **Today I am happy I am here with all these amazing people** – Anonymous
- **My freedom and rights** – Dean Umpad
- **My family and my education and food** – Anna Sanfilippo
- **I am just happy for life** – Anonymous

Sacrament of Confirmation
Confirmation classes continue this week. Students from our School and Parish will make the Sacrament of Confirmation on Saturday the 5th September 2015 in one of two sessions at 12pm or 2.30pm. Please keep the children who are undertaking this Sacrament in your prayers as well as their families and the Sacramental leaders.

“The Holy Spirit teaches us to pray, to call God our Father, and to grow daily in his love. Our families need to ask for the gift of the Spirit!” Pope Francis, 2015

Choir and Altar Service Volunteers for Confirmation
Today I have handed out notes to all the students in choir. It would be lovely to have students singing at the ceremony of Confirmation on Saturday the 5th September 2015. If your child is able to volunteer their time it would be greatly appreciated. We also require one altar server for both services (at 12pm and 2.30pm). If your child is available for this ministry, please contact me. I am thanking students and families in advance for their service to School, Choir and Parish.

What’s on:
Week 7: Paddies Youth Group: Friday 7-9pm in the Hall
Week 8: 4th September 2015, Breakfast from 7.30am and Mass at 9.00am. All welcome — please join us!
Week 8: 5th September 21015, Confirmation Ceremony 12.00pm and 2.30pm
Week 9: Years 3, 4, 5 and 6 will be attending Reconciliation.

May Christ’s peace be with you all!

FROM OUR ACTING PRINCIPAL, Michelle Perry

Wellbeing Week has been a marvellous success. The children and teachers have really embraced the concept of wellbeing and the importance of social/emotional intelligence.

A big Thank you to Mrs Turnbull who has worked tirelessly in organising and planning the events of the week and Mrs Morris for assisting her in resourcing it. I know these ladies would also like to acknowledge the wellbeing team for their ideas and great input. I am so proud to have teachers in this school who go above and beyond their required duties. They put in so many extra hours to make a difference in the lives of our children and I am extremely thankful. Following is a snap shot of the week’s activities.
5B began the day creating a new sacred space in the classroom for a Prayer Circle. After prayer we discussed the importance of our Catholic Faith and that prayer and meditation nurtures the Well Being of our Spirit. Within our Prayer Circle, children were invited to introduce their special item from home that helps fill their Well Being Tool Box. 5B articulated very well how their item/symbol helped them feel happy and safe. They loved our Kids President film clip. It highlighted so many positive messages!

- ‘We can all be awful sometimes and we can all be awesome as well – time to be more awesome!’
- ‘The world’s greatest thinkers ... put their pants on one leg at a time, just like me’
- ‘No matter who you are, somebody is learning from you’

While the class was working throughout the day we had background music of the "Georgian Chant" playing. The children had the opportunity of using Wellbeing Cards that gave them the chance to reflect upon the positive affirmation for the day. Throughout the day we also looked at the https://www.gonoodle.com, meditation site and reflected on "Letting Go" of all our worries. We concluded the day with the https://www.prayaswego.com, The Examen for children. This prayer of reflection is a short look back over the day, recalling events and taking note of your feelings. The purpose is to become more aware of the ways in which God has been present to you, the times when the Holy Spirit was drawing you towards life. A beautiful day in 5B!!!!

On Thankful Tuesday 6 Gold came into class and discussed the concept of exercising gratitude – being grateful for everything in our lives. Exercising gratitude doesn’t just happen; it is something we learn and embed in our daily routine. We watched a presentation by Brother David Steindl-Rast, a Benedictine Monk, titled “A Good Day” and I would encourage you to watch this (https://www.youtube.com/watch?v=3Zl9puhwiyw). This short clip leaves you with a powerful message of grateful living. Then each of my students received a personal letter from me that told them what makes them special and valued as individuals and in our class / school community; what I am thankful for in them. The children read their messages in our Garden of Tranquillity and it was a blessing in itself to see their smiles.
On Thankful Tuesday, after lunch, Year 4 graphed the amount of material used to wrap and package lunches. As a class, we measured how many people had cling wrap, foil, paper, plastic bags and drink bottles. On Wellbeing Wednesday, we did the same again. The results were amazing, the rubbish was very minimal. The classes concluded that if this was to continue, the school would save money for garbage collection and ultimately reduce the amount of rubbish on our playground and in our environment. We visited the site: http://nudefoodday.com.au/resources to guide us through this process. Feel free to access this website from home (26th August is officially Nude Food Day). This is very relevant for our study on the Yellow-bellied Glider as we are learning about human impact on their environment. See their report later in the newsletter.

Today we had a mufti day and everyone brought in food for people in the community who were less fortunate than us. Year 3 and 4 brought in tins of chunky soup.

In our class we had a kind of a game where we chose someone’s name from a box and we didn’t say who we had. We had to try and do some random acts of kindness for this person during the day. Then we made a poster saying something special about the person. At the end of the day each person had to try and guess who was being kind to them. Lots of people were thoughtful during the day.

We started Fantastic Friday with high fiving each other to celebrate and congratulate each other on making wellbeing week so special. We then went to our Peer Support groups and discussed the highlights of the week. We can’t wait to go to the park this afternoon to have a picnic lunch with our families and friends. What a fantastic way to end wellbeing week. Can we do this every term?
Writers Workshop

On Monday we have Liz Ginis and Pip Macken from the Writer’s Playground visiting the school and holding writing workshops with all the children. We can’t wait to see how they inspire all our budding authors!

FATHERS DAY

It’s that exciting time of year again, when we celebrate the gift of our Fathers. We’ll start with breakfast next Friday morning at 7:30am, followed by our Fathers’ Day Mass at 9am. After Mass we’ll have our whole school assembly at 10am, all families, especially our dad’s, are warmly invited to attend. The Fathers’ Day Stall will be held on Thursday at 2pm.

Dinner Dance

Our annual St. Patrick’s Dinner Dance is approaching early next term, October 24th. This is ALWAYS a fantastic night for the school community. I encourage you to book a babysitter, organise a table with your friends, or join an existing table and come along to thoroughly enjoy yourselves. To make the night even better we like to provide a couple of fun events that give you the opportunity to take a prize home. In order to do this we are asking if anyone would like to donate a prize for the night. I’m sure there are lots of families out there who have a business or work for a company that would be happy to support our beautiful community school. Someone suggested their other half (who was a lawyer) could donate a will, or a hairdresser – a haircut & colour, etc. So please if you think you could help by donating a prize, we would love you to contact either myself or Maria in the office.

THANK YOU

A big thank you to our fantastic mums for helping out with our hot dog meal deal, especially Michelle Cormack for organising a special treat for our children. We can’t do these special things without the help and support of our parent community, so once again I thank you all from the staff and children of St.Patrick’s school community. We love you!!!

Have a lovely weekend,
Michelle Perry

Mathematical Assessment Interviews Thurs 28 & Fri 29 January 2016
Our Year 5 students attended a Science and Engineering day at St Edward's college last week, where groups were assigned various tasks. Bridges, moon buggies and catapults were designed, built and judged, while others built towers strong enough to withstand an earthquake.

A fantastic day was had by all!
Premier’s Reading Challenge…...Going……..Going ........ GONE!

The Premier’s Reading Challenge for 2015 is now closed. Congratulations to Jessica Xuereb, Spencer Philipse, Ruby Wylie, Emeline Philipse, Lily Scholte, Tadiwanashe Mangwiro, Zahli Morrison, Dakota Xuereb and Thomas Harrison who just made the closing. Well done readers! This year we had 95 children complete the challenge. This is a wonderful achievement for these readers.

BOOK FAIR

There will be a Book Fair in the LARC in week 8, Monday 31st August to Friday 4th September which we welcome all families to support.

Tuesday and Wednesday are viewing days, all children will get the opportunity to visit the Book Fair and write a Wish List. There will be NO SALES to children on these days unless they are accompanied by a parent.

Thursday and Friday are buying days.

The Book Fair will be open before school Tuesday to Friday and after school Tuesday to Thursday for children accompanied by parents. On Thursday and Friday children whose parents are unable to attend but who wish their children to buy books can bring their money and I will take them to the LARC to make their purchases.

Children will complete a “Wish List” when they visit the book fair. Hopefully they will only put 2 or 3 of their favourite titles on the wish list. The Wish List is just as named “a wish list” you are under no obligation to purchase what your children write down. You may put money in an envelope along with the wish list, use the pre payment option on the back of the wish list or visit the Book Fair with your child on the nominated days and times above. If a title sells out as I am sure some popular titles will do. I will place a reorder from Scholastic and it usually arrives within a few days.

Every sale of a book earns our school commission which is used by the LARC and library to purchase many new books for the children to borrow and read. It would be wonderful to have everyone’s support for this event.

ICAS Spelling:

Students from St Patrick’s achieved outstanding results when they participated in ICAS Spelling this year and we congratulate all who participated from Years 3-6. Those students whose achievements were outstanding were rewarded with certificates of Distinction, Credit and Merit.

Distinction: Lachlan Kemp, Isabella Gooley, Ella Murray and Jerrica Tony.

On Wednesday 14 children represented St Patricks’ at the Broken Bay Athletics Carnival held at the Academy of Sport at Narrabeen. Our students participated with enthusiasm and great sporting spirit. I was very proud of their efforts on the day. A number of athletes made it through to the next level which is Polding at Newcastle next Friday. Exceptional results were achieved by Daniel Peters first in Senior Boys shot put and Jai Adrichem coming first in 11 year boys shot put., a number of other children achieved placings in their finals. Great effort St Pat’s!!

Oztag Gala days for years 3-6 is coming up in September. Years 3-4 will be held on 8th September and years 5-6 on the 2nd September.

The netball gala day is also coming up for Years 3-6 on Tuesday 15th September so teams will soon be organised. If you would like to help please see Ms Bolton.

The soccer gala day from last term has been rescheduled to 10th September. If you wish to help with any of these teams please contact me as team managers/coaches are needed.

Another reminder to return all sports uniform if you have them—we will need them for Gala Days.
CHOIR PERFORMANCE with Mrs Suzie Morris
The Choir performed beautifully for the residents of the Presbyterian Aged Care Centre @ East Gosford on Friday. The Choir is made up of Year 3 and 4 students as we sang seven songs to the residents which filled their hearts with joy and put smiles on their faces. I am really proud of how the students involved represented St Patricks and after an 'encore' was requested by many of the residents we will definitely be returning for some Christmas Carols. Well done choir – your hard work and commitment to lunch time practices really shone through!

FROM THE PRIMARY MUSIC ROOM with Mrs Suzie Morris
A reminder to Year 6 families that next week is our Dress Rehearsal for our plays – all costumes and props are required and can be left in the Music Room (at the back of the stage) from Monday. We will be performing a series of short plays based on picture books for our infants audience in Week 9 (Wednesday 9 September). I am really impressed with how Year 6 students have learnt their lines and are using expression and body language to tell the story! Can’t wait to see them in action ‘on stage’!

FROM THE INFANTS MUSIC ROOM with Mrs Suzie Morris
In Year 2 we have been turning junk into music while working on our performance for Erina Fair’s Junkyard Orchestra Challenge. We have been composing rhythm patterns and ostinatos (short repeated rhythms) using our various different ‘instruments’ and sounds. As well as experimenting with dynamics (how loud/soft we play), tempo (how fast/slow we play) and pitch (how high/low our instruments sound). Our performance will focus on the story of the creation of our earth and we are having lots of fun expressing this through the sounds and music we can create. The Junkyard Orchestra Challenge commences at Erina Fair next week and will feature schools from across the Central Coast every Thursday evening from 5:30pm in The Hive. St Patrick’s Year 2 students will be performing on Thursday 17 September (last week of term) – Year 2 families please look out for the note coming

Year Four Yellow-Bellied Glider Expo Day!
Friday 4th September. 11:30am
We hope to see you there!
We need one or two banking volunteers to help learn ‘the ropes’ for Administering our Commonwealth School Banking—this involves coming in on Thursday morning for a couple of hours—Our two mums who have been doing this for some time (thank you Janelle & Annabell!) may need some time off September/October and it would be good to have someone “trained up” to help when needed.

Fulfilling International Mission for Skilled Volunteers

Communities in East Timor, PNG, Kenya, Kiribati, Samoa and elsewhere are asking for teachers, health and community development workers, administrators, agricultural workers and others. You can assist to mentor local workers in your field of expertise. This will provide opportunities for those who have not had the advantage of an Australian education; improve the operations of organisations in vital sectors of local communities and so assist poverty reduction.

For 55 years Palms Australia has assisted such communities to recruit, prepare and support Australian who volunteer to share their lives and skills. We have increasing numbers of requests from communities who believe this approach, more than anything else, assists their self-reliance and sustainable development.

Want to know more? Information Session will be held on Saturday 12 September at 11:00am, at Aquinas Academy (141 Harrington Street, The Rocks). RSVP to leanne@palms.org.au or call 02 9518 9551.

The tension scene comes just before the big climax ending. In movies this is the scene of the soccer final, the exciting car chase or the heroine fighting for her life in a raging river.

We all know Little Red Riding Hood's classic tension scene. Red RH arrives at the cottage and the wolf is in bed in granny's clothes. Red RH, (who obviously needs glasses!) says: 'Oh, grandmother, what big ears you have!'
'All the better to hear you with.'
'Oh, grandmother, what big eyes you have!'
'All the better to see you with.'
'Oh, grandmother, what big hands you have!'
'All the better to hold you with!'
'Oh, grandmother, what big teeth you have!'
'All the better to eat you with!'

See how the scene slowly builds up to be more and more dangerous - and thus frightening? We don't start with the teeth, we start with the ears - and the wolf trying to coax Red RH to come nearer and nearer.

TOP TIP:
Emotion always takes time to build up. So in tension scenes, show kids how to start small and 'escalate' to a powerful climax.

ACTION ACTIVITY:
Read picture books with your kids and look for the tension scenes. Picture books are short, so it's easy to find where the all-important tension builds before the ending.
