Love one another and let charity guide you all your life

St Mary of the Cross (1909)

Dear Parents/Carers and students,

This quote from St Mary of the Cross reminds us of our need to show the human face of God to all we meet each day. This can be easily measured by our actions and words to one another. Showing compassion, especially in this time of Lent as we prepare for Easter, by supporting Project Compassion, is one way that we can demonstrate our love for others.

Cross Country
Today we had our very successful Cross Country. The students were wonderful and participated with enthusiasm. A very special thank you to the parents who supported their children and those who came to help. It is your support of the events of these events that ensures they are successful.

I would also like to thank Mrs Turnbull and the other teachers who organised the event.

Infants Fun Run
Thank you to Mrs McCallum for organising the Infants Fun Run and the parents who helped and attended this event. A great time was had—some photos follow in the newsletter.

Enrolling for 2017
On Monday 7th March we have an open morning with tours and an Information session commencing at 9am for anyone interested in enrolling or Kindergarten or other grades in 2017. There will also be a repeat session on Monday evening 14th March commencing at 6.30pm with tours and an Information session at 7pm.

If you would like to enrol please try to attend one of these sessions or call into the office to collect an enrolment package. Enrolments will close later this term with interviews early in Term 2. If you have family members or friends please pass on this information to them as well.

St Patrick's Day
On Thursday 17th March we will be celebrating St Patrick’s Day with a whole school mass, morning tea, open classrooms and a sausage sizzle. Hopefully many of you will be able to join us for the day or part of the day. Please see flyer.

P&F AGM
We have the P&F AGM on Thursday 10th March at 7pm. I am looking forward to seeing many of you there. The P& F is a very important aspect of the school which helps with organising social events and other activities to assist the school. Hopefully many of our parents will be able to join us for the meeting.

School Band
Unfortunately we have not had enough interest in starting a school band to make it viable this year. We may revisit this idea at the end of the year for a 2017 start. Watch this space :)

For students who are learning the guitar, keyboard and recorder we are planning to have a performance space towards the end of Term 2 and Term 4 this year. This will provide an opportunity for students to show off their talents and also work towards a small performance.

I will let you know more about this in early Term 2.
Hair Styles/School Uniform
Thank you to all the parents who have ensured their children are arriving at school with hair styles that are suitable for school and follow our school guidelines.
There are a couple of students (boys) who hair is too long. I would appreciate this being addressed as soon as possible. The students look wonderful in their school uniform, so thank you also for ensuring that this occurs. Students may be given a uniform notice if they are not wearing the appropriate uniform or hair style.

Important Parish Celebrations
Palm Sunday 20/3 9am Kindy and Buddy Mass. The children are encouraged to come dressed as Jewish Children and meet in the school playground (Victoria Street) and join in the procession to the church.
Easter Sunday 27/3 10.30am -family Mass to celebrate Easter Sunday.
Palm Sunday WYD Celebration 20/3 St Edward’s College 11.30am.

A few general reminders:
- Supervision does not start until 8.10 am children should not arrive before then.
- If you have not yet received your child’s Opal card please call Transport NSW 131 500 or visit transportnsw.info/school-student.
- If you are going to take your child/ren out of school for more than five days you will need to fill out the Application for Extended Leave available in the office or on our website (on home page click on Permission notes) and return to Mrs Walsh for approval.
- A reminder to all parents that NO TOYS are to be brought to school. We have had many playground disagreements over broken and lost toys, leading to disruptions that carry over into the classroom disturbing learning time. Children are allowed to bring a handball with their name clearly labelled and one single toy car also labelled to use on the infants car mat. NO LEGO is to be brought to school. We would appreciate your support in discussing this with your children.
- PBL Focus for next week— Speak and Act with Kindness

Sunday’s Gospel Reflection: The Prodigal Son

Have you ever wondered whether or not God loves you? Maybe you have done something bad, like telling a lie, taking something that didn't belong to you, or maybe you disobeyed your parents. Does God still love you? Yes!

To show how much God loves us, Jesus told a story about a man who had two sons (The Prodigal Son). The eldest was faithful to his father and worked hard on the family farm. The younger of the sons, took his father’s inheritance and absconded for wild living; eventually losing all of his money and having to work for a pig farmer, living amongst the pigs.

When the young man finally came to his senses, he realised that even his father's servants had a better life than he did. The boy began his journey home to his father. While he was still a long way off, his father saw him coming. Filled with love, he ran to his son, embraced him and kissed him. The son said to him, "Father, I have sinned against both you and heaven, and I am no longer worthy to be called your son."

But his father called his servants and said to them, "Quick! Bring the finest robe and put it on my son. Place a ring on his finger and sandals on his feet. Kill the calf we have been fattening and prepare a feast. Let the celebration begin!"

The older brother was very angry and complained to his father. "All these years I have done everything you told me to do. Now my brother comes back after wasting all of his inheritance and you celebrate by killing the fattened calf."

The father answered, "My dear son, you have always stayed by me, and have done all that was asked of you, but we had to celebrate today because your brother was dead and is now alive. He was lost, but now he is found!"

This Jubilee Year of Mercy, this parable reminds us to be merciful like the father!

Father,
We thank you for your unfailing love. We are thankful that even when we go astray, you welcome us back with open arms. In Jesus' name we pray.
**Project Compassion**

So far Year 1 and Year 6 are our top donating classes! Don’t forget these boxes are in all classrooms. God bless you for your donations, which help the most vulnerable people in the world!

---

**Invitation to Parents**

The Spirit of Motherhood…

Mrs Cheryl Walsh invites you to our parent reflection morning entitled “The Spirit of Motherhood”. An opportunity to truly stop and reflect on some tools which can support us in this exciting and sometimes challenging journey of parenthood.

Throughout the morning we will explore a range of tools including self-compassion and gratitude.

Gentle meditation and prayer, interactive discussion, engaging clips and some beautiful food to refresh and revive your Spirit.

**Details**

When: Thursday, 31st March 2016
Time: 8:45am—10:45am (including morning tea)
Where: St Patrick’s Catholic Primary School, East Gosford (LARC)
RSVP: Jacqueline Fletcher at jacqui.fletcher1@dbb.catholic.edu.au

**Please contact us if you require child-minding as it may be available.**

---

**Parent Initiative**

Next week a note will go home for The Spirit of Motherhood morning tea. We hope many of you might be able to join us and we will organize some child care for the morning so this is possible. It would be great to have as many of us as possible come along and reflect on our lives as busy parents and please dads are more than welcome too!

**What’s on:**

W8: St Patrick’s Feast Day Mass, 17th March – *Please join us for the day!*
   9.00am in the Church
   10.15am Whole School Morning Tea and Parent Morning Tea
   10.50am Open Classrooms
   11.30am Elizabeth Ross Park for organized games
   1.15pm Whole School Sausage Sizzle on the Primary Side for families and children!

W9: Whole School Holy Week Liturgy, 9.00am in the Church

W10: The Spirit of Motherhood, LARC, 8.45am

**God Bless**
Jacqueline Fletcher
Religious Education Coordinator
ST PATRICK’S PARISH NEWS

GREETINGS & GOD’S BLESSINGS FROM FR TADEUSZ
As we hurtle towards the conclusion of Lent, I would like to make a special invitation to you to bring your children to our 9am Family Mass on Palm Sunday which will commence with a procession from the Victoria Street campus to the church. Please gather at 8.45 as we re-enact Jesus’ journey into Jerusalem, complete with waving palms and donkey – a live and interactive representation for the children to enjoy and remember.

CHILDREN’S LITURGY
9am Mass on Sunday of school term.
Did you know that your child can attend Children’s Liturgy while you’re at Mass? Just meet the group leader in the foyer with your child. Enq. 4323 1042

UPCOMING FAMILY MASSES
In addition to our Palm Sunday Family Mass referred to above, please remember that we will also have a special Family Mass on Easter Sunday, March 27 @ 10.30am.

STATIONS OF THE CROSS DURING LENT
Fr Roman & I would like to invite you to take advantage of one of the opportunities to participate in the Stations of the Cross which take place on a Friday at 3.30pm followed by a 4pm Mass, and at Somersby, from 6.30pm each Wednesday.
St Patrick’s School children will join us for the Stations during the week commencing March 14.

HAVE YOU LOST A LOVED ONE?
Please join us on Tues March 18 at 11.30am for a special Mass for the Bereaved and Stations of the Cross. If you are unable to come, please let us know their name, and we will ensure it is included.

PINT SIZE PADDIES
for kids - Yrs 5-8,
NEXT FRIDAY
March 11
7pm at the Hall
Only $2!

Q4:H2O Healthy Drink Activity

Year 3 is again participating in the Q4:H2O Healthy Drink Activity which takes place during Central Coast Health Week, from week 6-9.

Students will be taking home activity card to complete during this time.

Seasons for Growth will commence in Term 2 at St Patrick’s

If your child has experienced significant change or loss, that has occurred a year ago, and you would like him/her to participate in this program please complete the permission slip at the end of the newsletter or pick up one from the office and return to school by Week 8 (18th March).

It is important to list on the form what is the significant change/loss that is relevant for your child and how long ago this occurred. This information will be only shared with your child’s Season’s Companion to assist your child throughout the program.

Please discuss with your child why they will be participating in this program as they will need to be able to identify their loss through this program to allow them to move forward.

If you have any questions please do not hesitate to email Ms Cherriene Turnbull (Mon/Tues/Wed/Thurs) at cherriene.turnbull@dbb.catholic.edu.au
FROM THE MUSIC ROOM with Mrs Suzie Morris

Kindergarten have been very busy in music over the last few weeks! We have been learning about and exploring pitch (high and low) in music and sounds along with dynamics (loud and soft). It has been lots of fun signing, moving and playing our instruments high, low, loud and soft! Just look at Kindy in action with the ribbons!

On the other side of school Year 5 have been busy exploring reggae music. It is hard to stay still when there is reggae music playing! We have been looking at how it is structures and what give it that grate vibe. Year 5 are now starting to compose their own reggae music which we are looking forward to performing in the coming weeks.
Last Monday 27 children participated in the CCC swimming Carnival at Mingara. The students put their heart and soul into their races with many achieving places in their heats.

A special mention must go to Annika Owens who won the Junior Girls champion, Brian Cho who won the junior boys butterfly, Nick Vane Tempest who placed 2nd in the 11 years Butterfly. Emma Cormack who placed 2nd in the 10 years freestyle and Individual medley and the junior girls relay team made up of Emma Cormack, Annika Owens, Grace Harrington and Jamilah Widmer who came first in this event. These children will now compete in the Broken Bay Championships at Mingara next Tuesday evening. Overall the school came 5th out of the eleven catholic schools on the coast. Congratulations on a super effort by these children.
Infants Fun Run
This year we are once again offering your children the opportunity to take part in International Competitions and Assessments for Schools (ICAS) testing.

For over 30 years, ICAS has taken place annually in schools throughout Australia, New Zealand, Hong Kong, Singapore, Malaysia, Brunei, the Pacific Region and South Africa. Your child is invited to participate in ICAS in 2016.

ICAS provides an opportunity for all students in Years 3 to 12 to gain a measure of their own achievement in an external testing situation. It provides parents and students with comprehensive reporting of results in the areas of Computer Skills, English, Mathematics, Science, Spelling and Writing.

All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested.

Certificates are awarded for each year level as follows:

- High Distinction to the top 1% of entrants
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants

Participation to all other participating students.

If you wish your child/children to participate please return the permission slip and entry fee by: **Friday 18th March, 2016**.

Your child can now prepare for ICAS and other skills-based tests with EAA’s new Practice Online series. For more information please visit the Educational Assessment Australia website at [www.eaa.unsw.edu.au](http://www.eaa.unsw.edu.au)

Carmen Hartz, Teacher Librarian

**2016 INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (ICAS)**

**PERMISSION SLIP** Please return THIS section to school no later than Friday 18th March, 2016 with correct money in an envelope with ICAS written on the front. **ONE FORM FOR EACH CHILD PLEASE**

I give permission for my child of

[ ] to participate in the following 2016 International Competitions and Assessments for Schools (ICAS):

- Digital Technologies 17th May ($8.00)
- Science 31st May ($8.00)
- Writing 13th June to 17th June ($17.00)
- Spelling 15th June ($11.00)
- English 2nd August ($8.00)
- Mathematics 16th August ($8.00)

Please find enclosed $____________________ entry fee.

HELP Needed

Have you always wanted to help at school but have been too busy on school days?

Well here is your opportunity to help at home. Throughout the year we purchase many new books for the library, LARC, classrooms and literacy groups. After they have been entered on the computer they all need covering. If you are confident at covering books using contact and would like to help please complete the form below and return it to school. Contact will be supplied, cut and ready to cover these amazing new books. Books and contact will be sent home in bags and can be returned when you have covered the books at your leisure.

Thank you in anticipation.

Carmen Hartz, Teacher Librarian

Covering Books

Yes! I would love to cover some new books for St Patrick’s Catholic Primary School in 2016.

You are welcome to  
join us for a day of  
celebration and fun!
We are looking for Volunteers for the 2016 School Year. We need Volunteers to ensure canteen will remain open during the year.

If you can help out we would love to hear from you. If you have a date in mind, let us know and we will slot you in. Contact Adrienne on 0414 509547 or mrspraz@gmail.com if you would like to volunteer. Mrs P is contactable anytime, so check your 2016 calendar and if you have a date in mind, even if its months away, let her know your availability.

As you can see we have lots of days that we NEED SOMEONE. If we don’t get the volunteers we will need to close the canteen on days where there aren’t enough helpers. That means no lunch orders. TODAY Primary was lucky to have SNACKS available at lunch time. HUGE THANK YOU to Joanne Ford, who still volunteered to come in at lunch time to do that for our children.

19 February 2016

Dear Parents,

At St Patrick’s Catholic Primary School we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. Change and loss are issues that affect all of us at some stage in our lives. We have therefore been offering a very successful educational program called *Seasons for Growth*.

This program is facilitated in small groups and is based on research, which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The grief theory that *Seasons for Growth* is built around relates to the work of psychologist J. William Worden. The development of the *Seasons for Growth* curriculum is based on Warden’s tasks of grieving. The tasks have then been linked with the imagery of a particular season. The different seasons of the year provide a rich symbolic framework in which to explore issues of change and loss. The program focuses on issues such as self-esteem, managing feelings, problem solving, decision-making, effective communication and support networks.

*Seasons for Growth* runs for eight weeks and each session is 40-50 minutes. The program concludes with a “Celebration” session. Teachers who are trained companions in the program facilitate the groups in relevant stages.

*Seasons for Growth* will commence in Term 2 at St Patrick’s. If your child has experienced significant change or loss, that has occurred a year ago, and you would like him/her to participate in this program please complete the following permission slip and return to school by Week 8 (18th March). It is important to list on the form what is the significant change/loss that is relevant for your child and how long ago this occurred. This information will be only shared with your child’s Season’s Companion to assist your child throughout the program.

Please discuss with your child why they will be participating in this program as they will need to be able to identify their loss through this program to allow them to move forward.

If you have any questions please do not hesitate to email Ms Cherriene Turnbull (Mon/Tues/Wed/Thurs) at cherriene.turnbull@dbb.catholic.edu.au

Kind regards,

Ms Cherriene Turnbull

(quote)

(quote)
Choose water as a drink

Did you know?

★ Children and teenagers who regularly drink soft drinks and other sweetened drinks are more likely to be overweight.

★ In NSW, 55% of boys and almost 40% of girls in Year 6 drink more than one cup of soft drink every day. By Year 8, these figures rise to almost 60% of boys and more than 40% of girls.

Water

Drinking water is the best way to quench your thirst. Even better, it doesn’t come with all the sugar and energy (kilojoules) found in fruit juice drinks, soft drinks, sports drinks and flavoured mineral waters.

Drinking water instead of sweetened drinks may also prevent dental problems, while the fluoride found in tap water can help strengthen teeth and bones.

Milk

Milk is a nutritious drink for kids and teens and a great source of calcium, which is important for growing strong bones and teeth.

From 2 years of age, children should drink reduced fat milk. It contains much the same nutrients as full cream milk but is lower in unhealthy saturated fats and lower in energy (kilojoules).

Children under 2 years of age should not drink reduced fat milk as they need the extra energy (kilojoules) for their growth and development.

Fruit juice

Giving kids and teens whole fruit to eat is a better choice than offering fruit juice to drink.

While whole fruit contains some natural sugars that make it taste sweet, it also has lots of vitamins, minerals and fibre, which makes it more filling and nutritious than a glass of fruit juice.

One small glass of juice provides a child’s recommended daily amount of vitamin C. Unfortunately, many children regularly drink large amounts of juice and this can contribute to them putting on excess weight.

“Drinking water is the best way to quench your thirst”
Sweetened drinks: soft drinks, cordials, sports and energy drinks

Soft drinks, cordials, sports and energy drinks and flavoured mineral waters often have large amounts of sugar and kilojoules. In fact, a can of soft drink contains around 10 teaspoons of sugar. Drinking too many sweetened drinks can cause a range of problems including tooth decay, poor appetite, picky eating, change in bowel habits and putting on excess weight. These drinks should only be consumed occasionally – not every day.

Sweetened drinks containing caffeine

Caffeine is a mildly addictive stimulant drug. Cola-type soft drinks and energy drinks contain caffeine as well as lots of sugar. Higher amounts of caffeine are found in energy drinks. There are many side effects of caffeine consumption, particularly in kids and teens. These include disturbed sleep, bedwetting, anxiety and headache – even from drinking quite small amounts. There is also a link between caffeine in soft drinks and bone fractures. Consumption by kids and teens of cola drinks, particularly energy drinks, is best avoided.

Ideas to help kids and teens drink more water

- Pack a water bottle whenever you go out.
- In summer, pack a frozen water bottle in your child’s lunch box.
- Don’t keep sweetened drinks at home; make cold water available instead.
- Water down sweetened drinks – such as cordials or fruit juice – for a short time and then start to replace them with plain water.
- When playing sport, encourage kids to drink water rather than sports drinks or energy drinks.
- Serve plain water in decorative jugs. Add slices of lemon, orange or mint for flavour and, in summer, add ice cubes to keep it chilled.
- Serve sweetened drinks in smaller glasses and only have them occasionally – not every day.

Remember

- Choose water as a drink.
- Sweetened drinks such as soft drinks, fruit juice drinks, cordials, sports and energy drinks are not a necessary part of a healthy diet.
- Regularly offering sweetened drinks makes it harder to choose water as a drink.
- If sweetened drinks are on the menu, try not to include them every day and choose healthier options, such as watered-down versions of favourite drinks. These will still quench your thirst, but without the excess sugar and kilojoules. It can also help reduce the preference for strongly sweetened drinks.

For more information and ideas on healthy eating and physical activity, go to www.healthykids.nsw.gov.au
Applications are currently open to commence Year 7 in 2017. Families are invited to an Information Afternoon on Tuesday 15 March 2016 where tours of the beautiful campus and extensive facilities will be provided. Enrolment Application Packs will be provided. Information sessions run at 4:00pm, 4:30pm, 5:00pm, 5:30pm and 6:00pm in the College Hall. Bookings are not required.

We look forward to meeting your family and welcoming you to the St Peter's community.
