Greetings,

A reflection on Sunday’s Gospel:

"So you also must be ready, because the Son of Man will come at an hour when you do not expect him."

Matthew 24:44

This is a season when we look forward to "Coming Attractions." We call this season Advent. We look forward to hearing beautiful music and seeing the decorations. We look forward to Christmas parties and to sharing gifts with family and friends. Most of all, we look forward to celebrating the birth of Jesus.

We are also looking forward to the day when Jesus is coming again. Jesus told his disciples that he would come again, but when they asked when, he told them, "No one knows the day or the hour, not even the angels in heaven. Only the Father knows."

If we don't know when it is going to happen, what should we do? Well, it is a bit like the movie previews that say, "Coming Soon to a theater near you." They don't say exactly when, so we have to be watching so that we will be ready when they come. In fact, that is exactly what Jesus told his disciples. "Be ready, because the Son of Man will come at an hour when you do not expect him."

What should we do to make sure we are ready for Jesus when he returns? We should be doing the things that Jesus wants us to be doing - loving one another, caring for the sick, feeding the hungry, and helping the poor. If we are doing those things, we will be ready when he comes.

Dear Jesus, we look forward to your return. We don't know if you are "Coming Soon," but if you are, we pray that we will be ready when you come. Amen.

Sacrament of First Eucharist

Last weekend children from our school and parish made their First Holy Communion. They dressed up in their Sunday-bests to have a new encounter with God; one where they are nourished by His Body in the Eucharist. Congratulations to all the children on receiving this beautiful Sacrament.
Parent Faith Formation Morning Tea

This morning some parents, family and friends joined us for the “Letting Go” spirituality session. It was led by Jo Spek, Rachel Tyne and Father John from Mission Services. These sessions are relaxed and enlightening! They are opportunities to reflect and meditate and share stories. There were plenty of laughs shared.

The feedback we received was very positive. We have you can join us next year, where we hope to run these parent-sessions once a term.

“A lovely opportunity to reflect and learn from others about letting go. Thank you!”

“From a grandmother’s perspective, it was great to realise that through all the stages in life, you need to let go of things and feel God near you; trust in His path!”

“We tend to hold onto things that burden us, often things we cannot control. When things don’t go according to plan we need to trust that God knows exactly what we need, even when we don’t”

A big thank you to everyone who joined us and shared in the morning!

What’s on:

FROM OUR PRINCIPAL

When you carry out acts of kindness you get a wonderful feeling inside. It is as though something inside your body responds and says, YES, this is how I ought to feel.

Rabbi Harold Kushner

Dear Parents and students,

We are nearing the end of the term with only three more weeks and what a busy time the next few weeks will be.

Today we had our last Kindergarten 2017 Transition Session for parents and students. It has been wonderful to see so many parents and grandparents take the time to attend each session on a Friday. We have had some very positive feedback from parents and the teachers about how beneficial the sessions have been. I would like to thank all those parents who did attended each or nearly all of the session.

Thankyou Fadia

I would like to send a special thank you to Fadia Ohannessian for the many years she has dedicated to the Second Hand Uniform Shop. Without people like Fadia our school cannot function. Fadia has generously given up many Fridays to open the uniform shop to parents. Thank you Fadia!

Year 5 Parents

Thank you to the Year 5 parents for hosting the 2016 Year 6 Graduation Supper. Once again your generosity has been wonderful. Just a final reminder that lollies need to be sent in by Monday 28th November and for your donation of food to be sent in on Thursday 1st December, the day of the Grad.

School Uniform

Can I please remind parents that when they are purchasing new runners for their children for school, especially at the beginning of 2017, that these runners be predominately white. I have asked the students throughout this year to remember this when purchasing new runners. This requirement is part of our Uniform Policy at St Patrick’s.

Changing Schools??

It is getting to that time of the year when we ask Parents if they are planning to change schools in 2017 to let us know. Could you please inform the school office in writing, if you have any changes for 2017 by 11th November. If you are intending to change schools we will also need to know the name of the school your child will be attending.

Take care and God Bless

Cheryl Walsh
THE DRAMA OF HIGH SCHOOL!

The beautiful Year 10 drama students from St Joseph's entertained us today with a play all about high school. It explored a range of areas we might be unsure or uncomfortable about including bullying, texting, trying to fit in, being popular or not so popular etc.

For each different scenario presented the performers cleverly 'freeze framed', asked the audience for input, rewound the scenario and then proceeded in a different direction. The high school students performed their parts so well and it was wonderful to see them in action.

Thank you St Joseph's for entertaining us and answering ALL our questions about high school and drama classes!

Sport News

Congratulations once again to Alexis Graham who represented St Patricks in a water polo competition recently. Alexis played for Sydney SAPSC against both state and catholic schools in NSW. Her team was undefeated and Alexis scored 10 goals. What a champion.

Congratulations to Isabella Gooley on being selected for the Broken Bay team for basketball and has been selected for the squad. The trials for Polding will take place on Friday, 10th of February in Newcastle. So proud of you!
Year 4 Surf Day
Year 4 have been exploring force, gravity, momentum and friction in their hands on science unit this term. This week saw them designing and creating catapults to see how far they could launch a pom-pom. The students thoroughly enjoyed this activity however some groups experienced design and hardware issues :) We will now look at redesigning our catapults to make the pom-poms fly higher, faster and further!
St Joseph’s and St Edwards Band and Choir Performance:
St Patrick’s students were entertained by the St Joey’s and St Eddie’s band and the St Joey’s choir. It was a wonderful performance by these talented students and we got to listen to how they play and sing together to create wonderful music.

The conductor, Phillip Rutherford (Central Coast Conservatorium of Music) introduced us to a range of instruments that may be included in our training band next Year at St Patrick’s. Thank you to these high school students for putting on a great show for us!

St Patrick’s Training Band

If you are interested in finding out more information about the St Patrick’s Training Band for 2017 please come along to the information session we are holding on Monday night – 7pm Monday 28th November in the Primary Music Room. The program is run by the Central Coast Conservatorium of Music and will be open to students currently in Year 2 to 5 (years 3-6 in 2017). There are a range of instruments on offer from trumpets and trombones, clarinets and flutes to drums and percussion. With full tuition and training band sessions right here at school this is an excellent opportunity for students who are keen to learn an instrument and play as part of a band. For more information please email Suzie Morris on susan.morris@dbb.catholic.edu.au

Music Together Evening:
Don’t forget about our Music Together Evening 5:30pm on Tuesday 6th December. This is an opportunity for students who learn instruments, especially keyboard, guitar and recorder here at St Patrick’s, to share their talents and build their performance skills. We have a few ‘special guest’ performers for the evening too. If you are interested please contact Suzie Morris at susan.morris@dbb.catholic.edu.au

St Patrick’s ‘Chorestra’ Choir:
Our St Patrick’s Choir will be performing at a couple of events in the coming weeks. We will be at Erina Fair Food Court at 11:30am on Monday 5th December and then at the Presbyterian Aged Care Centre at 1:00pm on Thursday 8th December as well as our St Patrick’s Carols Evening at 5:00pm on Thursday 15th December. The choir students have worked so hard this semester with a busy practice schedule and it will be wonderful to share our voices with the community. Permission notes went home this week so please return them by the end of Week 8.

Orchestral Concert on the Central Coast!
Remember back to our Christmas concert last year and the beautiful opera singer, Angela Brewer sang O Holy Night with the St Patrick’s Choir – what a special moment.

Angela will be singing with the Central Coast Symphony Orchestra next weekend - 4th December. This is a fantastic opportunity for students and families to see an orchestra in action featuring the best musicians from across the Central Coast and Sydney. Check out the concert details in this newsletter.

School Photography Guidelines for Parents and Carers

Information for Parents and Carers

We recognise that parents and carers enjoy photographing and recording the progress of their child at school and on school activities. We recognise that many of you like to share these personal memories online and on social media.

We ask for your cooperation and care concerning the use and distribution of photographs of other children at our school. Some families have very real legal and safety issues which could put a child at risk if an image is made public online. More generally, it is respectful of the privacy of other members of the school community to ask permission before posting an image online. Even if your social media settings are private, it is easy for images to become public, particularly if they are tagged or shared by others.

Best practice guidelines

The following best practice guidelines have been adopted by our school to keep our students and school community safe, and to ensure respectful practices concerning the use of social media. When taking photographs or recordings at school or at school events and your images include other identifiable persons please follow these guidelines:

- Crop out other students or seek the permission of the student or (for students under 16) his or her parent/carer before posting online.
- Do not tag or name the person without permission.
- If a parent or carer requests that you do not circulate an image of their child to others, please comply with the request.
- Please seek the permission of our staff to photograph or record their activities at school. Photography of staff presenting or receiving awards is permitted.

The school will periodically review these best practice guidelines.

Mandatory policies

The school may from time to time determine that photography or recording at school events or on school grounds is restricted. Where restriction is notified, failure to comply may result in your exclusion from school premises or activities.

Under no circumstances may you photograph or record in private areas such as change-rooms, or in school offices or staffrooms, or at meetings, without express permission.

The following resources provide further information about safety online, privacy and avenues for complaints about privacy online. If you wish to discuss an issue further with the school, please contact the school office.

Office of the Australian Information Commissioner, FAQs about social media
1 The school and the Diocese both independently and through its schools collects personal information, including sensitive information about students and parents or guardians before and during the course of a student’s enrolment at the school. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the school to provide schooling to students enrolled at the school, exercise its duty of care, and perform necessary associated administrative activities, which will enable students to take part in all the activities of the school.

2 Some of the information we collect is to satisfy the school’s legal obligations, particularly to enable the school to discharge its duty of care.

3 Laws governing or relating to the operation of schools require certain information to be collected and disclosed. These include education, public health and child protection laws.

4 Health information about students is sensitive information within the terms of the Australian Privacy Principles under the Privacy Act. We may ask you to provide medical reports about your child from time to time.

5 If we do not obtain the information referred to above, we may not be able to enrol or continue the enrolment of your son/daughter.

6 The school may disclose personal and sensitive information for educational, administrative and support purposes. This may include:
   - Other schools and teachers at those schools
   - government departments and agencies
   - the Catholic Schools Office
   - the Catholic Education Commission NSW
   - the Diocese of Broken Bay and its parishes
   - medical practitioners
   - people providing educational, support and health services to the school, including specialist visiting teachers, sports coaches, volunteers, counsellors and providers of learning and assessment tools
   - assessment and educational authorities, including the Australian Curriculum, Assessment and Reporting Authority
   - people providing administrative and financial services to the school
   - anyone you authorise the school to disclose information to
   - anyone to whom the school is required or authorised to disclose the information to by law, including child protection laws

7 Personal information collected from students is regularly disclosed to their parents or guardians. On occasions information such as academic and sporting achievements, student activities and similar news is published in school newsletters, magazines and on our website. This may include photographs and videos of pupil activities such as sporting events, school camps and school excursions. The school will obtain permissions annually from the pupil’s parent or guardian (and from the student if appropriate) if we would like to include such photographs or videos (or other identifying material) in our promotional material or otherwise make this material available to the public such as on the internet.

8 Parents may seek access to personal information collected about them and their son/daughter by contacting the school. Older students may also seek access to personal information about themselves. However, access may be refused in certain circumstances such as where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the school’s duty of care to the student, or where students have provided information in confidence. Any refusal will be notified in writing with reasons, if appropriate.

9 The school from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the school’s fundraising activities solely for that purpose. We will not disclose your personal information to third parties for their own marketing purposes without your consent.
10 If you provide the school with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the school and why.

11 The school may use online or ‘cloud’ service providers to store personal information and to provide services to the school that involve the use of personal information, such as services relating to email, instant messaging and education and assessment applications. Some limited personal information may also be provided to these service providers to enable them to authenticate users that access their services. This personal information may reside on a cloud service provider’s servers which may be situated outside Australia. Further information about the school’s use of online or ‘cloud’ service providers is contained in the school’s Privacy Policy.

12 The Diocesan Schools System Privacy Policy sets out how to make a complaint about a breach of privacy and how the school will deal with such a complaint.
