

TIP OF THE WEEK

Q. How do I use the calendar display when placing food orders?

A. For ease of use, you are presented with a two week calendar view when placing food orders. The calendar makes it easy for you to place orders for a particular child on a particular day.

To place a food order:

1. Open Qkr! and tap on your canteen menu.
2. On the calendar view tap the date next to your child for which you want to place the order. If you have registered more than one child, the calendar view enables you to place individual orders for each child for different dates. If a date is greyed out you cannot place orders for that date, either because the canteen is not open, or because it is past the cut-off time for that day's orders. Check with your school to confirm the cut-off time.
3. Browse the menu, select items, and add them to your cart.
4. If you are ordering for more than one child you can switch between children by tapping your child's name at the top of the screen.
5. When you are ready to pay, tap 'Checkout' at the bottom of the screen and complete the payment steps.
