

Dear Parents and Caregivers,

Canteen Lunch Orders live week 2 of Term 2.

Welcome to Term 2 in the canteen! We are very excited to start our Qkr ordering system next week. It is very easy to use and I encourage all families to download the app and get on board. The app allows you to make changes to orders, for example, a chicken wrap can be ordered and you have the ability to say, "No tomato or mayo please!" This process is going to make life in the canteen 100% easier for volunteers. Speaking of which, please have a look at the roster at the end of the newsletter. We are in desperate help for two volunteers next Friday. It is possible to change one helper from Infants over to the Primary side so if you are available but have only children on the Infants side, that's ok! We NEED YOU! We will still need an additional helper on the primary side as well. Just remember... Grandparents are awesome helpers so do them in and get them working!
