

Why identify?

In Broken Bay, we deeply value and respect cultural diversity. An increasing number of our students come from homes where a language other than English is spoken. When parents or carers identify that their child comes from a language background other than English, there are many benefits:

- Teachers better understand the needs of students and can tailor instruction to meet these needs
- Additional resources and expertise (such as ESL teachers) can be provided to the school
- An awareness of increased cultural diversity can be fostered and celebrated within the school.

If you or your child speaks a language other than English at home, please let us know this information when applying for enrolment. If you have any questions, please discuss these with the Principal in the enrolment interview.
