FROM OUR PRINCIPAL.....

Dear parents and students,

We are nearing the end of another year with just over two weeks until the end of the term. This year has been another great year with lots happening.

Last week the Year 5 students attended the **Leadership Camp at Vision Valley** which was a wonderful experience for the students and enabled them to see each other in many different situations. This week we began the process of choosing our new school leaders for 2020, which is a very exciting time for the Year 5 students.

Our Primary students also attended a surf day this week, which again is an experience that teaches them about surf safety. We have been lucky with the weather this week as well.

Last week we finished our four week **Kinder Transition for our new 2020 Kindergarten students**. They had great fun at school and just love their new buddies from Year 5. I hear that they all can't wait until after Christmas when they can start 'Big School'.

The last few weeks has also seen many challenges for families in our community and across the state, with the bush fires, smoke haze and high temperatures for this time of the year. I would like to point out to all parents that the school never takes lightly any risks that may be present for our students, this includes at school and on excursions. The health and welfare of our students is and will always remain our top priority and we always thoroughly investigate the risk factor before proceeding with any events.

We have a wonderful community at St Patrick's and we appreciate how our families are always supporting the school in so many ways.

Mrs Maureen Mandell is retiring

It is with sadness, that I inform you that Mrs Mandell has decided to retire at the end of this year. Mrs Mandell has been a member of the teaching staff for over 20 years as well as many more years as part of the Parish Community. She has taught many classes and students over her time at St Patrick's. Mrs Mandell will be missed by everyone, but we also know that she will enjoy her retirement. Thank you Maureen for the many years you have dedicated to St Patrick's.

Staff Changes

Next year will see some changes to the Staff at St Patrick's. Miss Kaitlyn Crawford will be moving to St Brendan's at Lake Munmorah. Miss Crawford will be missed, she has had a wonderful year with Year 5. The students have learned a great deal and we wish her all the best in her new school.

Mr Lee Sullivan will be joining the staff at St Patrick's in 2020. Mr Sullivan is returning to the Central Coast from Newcastle Maitland Diocese where he has been the REC at Gloucester. I am sure you will join with me in welcoming Mr Sullivan to our School.

Mrs Lauren Lewis is returning to her full time position as classroom teacher and Mr Steve Harris has requested reduced hours at St Patrick's for 2020 and will be working 4 days per week.

Christmas Masses

Father Greg has changed the Christmas Masses for this year. The children's Mass this year will be outside on the Infants playground on Christmas Eve commencing at 5pm. Father Greg has lots of special things organised for the Mass. It would be great if our families could support this particular mass as it sounds like it will be a great experience for the children. Don't forget to BYO Chair!

Wellbeing Week

We are having wellbeing week next week and there have been a number of activities organised for the students and parents.

On **Tuesday 3/12** the children can come to school dressed in their cultural dress. We want to celebrate all the different cultures that are represented in our school. Whether it be first, second or third generations, we all have come from another country, unless you are from an Australian Indigenous background. If you don't have a cultural costume then you may like to wear that country's flag colours. We would also like the children to **bring in something from their cultural background to share for morning tea with their class** friends. Please label ingredients.

Can you please donate a gold coin on this day to add to the P&F donation for the **Bush Fire Relief**.

On **Wednesday** morning 4/12 the coffee van will be on the Infants playground from 8am for a free morning coffee. **The coffee/hot chocolate is for the parents only, not the students.** It leaves by 8.45 so be early!! We thought it would be lovely if our **parents brought something yummy** from their cultural background to share with each other over their coffee.

End of Year Celebrations

We have some very exciting events coming up before the end of the year:

- Wellbeing Week and multi-cultural day on Tuesday 3/12
- Wednesday 4/12 is the Year 6 Graduation Liturgy at 6.30pm followed by the Grad Supper (thank you to the Year 5 parents for providing this supper as has been the tradition for many years).
- Awards Assembly 9am 6/12 in the hall
- Thank you morning tea for our volunteers 6/12 after assembly approximately 10am
- Year 6 Movie day 11/12
- Reports will be available for parents 13/12
- Step-up afternoon and meet the teachers 16/12—2pm
- 17/12—End of year Mass 10.30am and students are able to go home early with their parents
- Wednesday 18/12 last day of school. There will be no formal lessons on this day, supervision provided.

Thank you once again for your continued support

God Bless

Cheryl

Important message for Year 6 Parents and parents of leaving students
Please be aware that you will need to download/print off semester reports currently appearing in Compass by 31 December 2019 if you wish to keep a record of these. Once a student leaves a school, parent access to that student's details in Compass ceases.

If you have any problems doing this during the holiday period, please contact us after 28 January 2020 when we are open for the new school year

YEAR FIVE CANDIDATES FOR SCHOOL CAPTAIN

Religious Education News

Greetings in the spirit of Advent Hope, the season beginning this Sunday.

The word 'Advent' means 'coming'. When we light the candles on the wreath, it symbolises the coming of light (Jesus) into the world.

Candle 1 (violet): represents hope

Candle 2 (violet): represents peace

Candle 3 (rose): represents joy

Candle 4 (violet): represents love

The central white candle is lit on Christmas Day and represents Christ. This Advent may we act and pray for a more just and fair world – a world full of hope, peace, joy, and love.

"The season of advent which begins this week restores this horizon of hope, a hope which does not disappoint because it is founded on God's word.

A hope which does not disappoint simply because the Lord never disappoints.

He is faithful.

He does not disappoint.

Let us think about and feel this beauty." Pope Francis

FIRST EUCHARIST

On the weekend we have many children from our school and parish make their First Eucharist. This is such an important occasion in their life. Pope Frances says,

"The Eucharist is such a great gift. That's why going to Mass is so important. Going to Mass not just to pray, but to receive Communion, the Bread and Body of Christ. It saves us, forgives us and it makes us one with the Father. How beautiful!"

Congratulations to all these children and their parents and teachers for helping them to prepare for this special sacrament of thankfulness.

ST VINCENT DE PAUL CHRISTMAS APPEAL

Thank you for supporting the annual St Vincent de Paul Christmas Appeal. Most class hampers are overflowing. As always, your generosity of spirit warms the heart. A member from St Vincent de Paul will be picking up these hampers very soon.

What's on Term 4:

W8: Graduation Mass. Wednesday, 4th December 2019, 6.30pm

W10: End of Year Mass. Tuesday, 17th December 2019, 10.30 am

Blessings to you and your families during this Advent season..

A LETTER FROM FR GREG—OUR PARISH PRIEST

Dear parishioners and friends!

Another calendar year is fast coming to a close, and as a Church, we begin our new liturgical year with the start of Advent. I invite you at this time to take a moment to reflect on the past year, and also to open yourselves to new possibilities in both your personal spiritual life, as well as our common spiritual life as a parish.

Each year that I am here as parish priest, I would like to provide some universal guidance for this important reflection by introducing a new annual theme. When I arrived at the parish in February, I announced a Year of Trust. Over the last few months, we have had a special opportunity to reflect on, learn and renew our Trust in God, in the Church and in others that are around us. We hosted different priests and guest speakers to help us further our understanding of Trust. In almost every parish bulletin we have had a reflection or a prayer for Trust. Year of Trust candles with a beautiful prayer for Trust attached were available to purchase and take to our homes and share with others. Those of us who wanted to use this opportunity to reflect on Trust had many opportunities to do so. It is my hope this year of Trust helped many of you to trust more than before and to open your hearts for the next step in your spiritual life.

As we continue our faith journey together at St Patrick's community, I would like to announce a different theme for this new liturgical year which we begin today! The next step after we learn how to trust is to love. This is why, together with the parish pastoral council, I have decided to launch the YEAR OF LOVE in our parish!

The theme for this year will be based on a fragment of 1 John 4:7 "Beloved, let us love one another: for love is of God; and everyone that loves is born of God, and knows God."

In the YEAR OF LOVE, I would like to invite all of us to reflect on love in the same way as we did with Trust. We will reflect on how to love God, His Church and one another. This will be an opportunity for different generations in our community to reflect on love, to learn how to love with a pure heart and how to renew our love. During this year, I will once again invite different guest speakers, and in the parish bulletin, we will have different reflections and prayers for love. We will also organise various events and prayer times to help us all better understand love as well.

Love is not all hearts and flowers or what is presented in a sappy romantic film, Pope Francis said.

- "Love is something else. Love is taking responsibility for others."
- "Love isn't playing violins, all romantic," the pope said in his homily at Mass. "No. Love is work."
- "Do I remain in the Lord's love? Or do I leave it, seeking other things, forms of fun, other ways of leading my life?" the pope told them to ask. "To remain in his love is to do what Jesus did for us. He gave his life for us. He was our servant; he came to serve. The love Christians are called to show others is not something that should be occasional "but must be a constant in our existence."
- "This is why we are called, for example, to care for the elderly as a precious treasure and with love, even if they create economic problems and difficulties. But we must care for them. This is why we must give every assistance possible to the sick, even in the last stages. This is why the unborn always must be welcomed."
- "Life always must be safeguarded and loved from conception to its natural end... This is love."

With this short reflection of Pope Francis I would like to encourage you to start this journey of love together so we as St Patrick's Parish community will grow in our understanding of love and share it with one another. I would also like to invite the three local schools, St Joseph's, St Edward's and St Patrick's, to join us and reflect on love together, building a whole community in our area founded on Christ who is love, and learn from him how to share and reach out with love to others in our parish and school communities.

Let us pray together that we all will be filled with God's love and will share it with one other!

God bless

Fr Greg Skulski SDS

YEARS 3-6 @ SURF FUN DAYS

YEAR 5 CAMP @ VISION VALLEY

FROM OUR P & F COMMITTEE.....

Disco

Thank you to everyone who came along to shake their groove thing!

We had an extra 75 children walk through the gates that hadn't ordered on quicker which was fantastic for St Vinnies and our donation to the Fire affected families. It did however cause a little bit of stress on the volunteers that were there as they weren't expecting as many children.

I urge you all to **book via Qkr next time** so as the disco committee know how many drinks/lollies to order but also how many volunteers will be needed to insure the safety of all of our children. Luckily, no accidents or incidents happened.

Thank you to all the volunteers who helped out on the night .

Without you all, events such as these can not go ahead. A big thank you to Katie for organising the roster and the packing up at the end of the night. Another thank you to Rach for organising the drinks and glow bangles too.

And finally, a huge thank you to our DJ, Emma, from JC Entertainment for the mad tunes and vibe on the night. She also organised the bigger glow products which were very popular as well. Well done TEAM!

Our profit will go straight to St Vincent de Paul Society where they will put it towards the families in need. Be pleased to know that you have all helped out in what was a horrific time for so many. We will have more details of amount raised after the wellbeing week gold coin donation day and will let you know in the next newsletter.

Presented by Danielle Habib, Catholic Care's Violence Prevention Educator, our free workshops will help you:

- understand DFV and healthy relationships
- discover how to support a friend or family member
- learn safe actions and responses to DFV.
