FROM OUR PRINCIPAL Mrs Cheryl Walsh....

Dear Parents and students,

Welcome back to another exciting year, I do hope that you all had a relaxing holiday. It was wonderful to see all the students return in the correct summer uniform so thank you parents for ensuring this happened. I do know how expensive the beginning of the year can be for parents; when you have to purchase uniforms, shoes, runners and classroom items. Just a reminder that some students are still wearing coloured runners instead of the predominately **white** ones required.

I would also like to welcome back all the staff to St Patrick's, especially our new staff members, Mr Lee Sullivan (year 6) and Ms Cassie Vane Tempest (year 5).

The staff for 2020 are:

Assistant Principal:	Ms Michelle Perry
Admin:	Mrs Natalie Introna, Mrs Maria Smith & Mrs Cheryl Vane Tempest
Learning Support:	Mrs Donna Ristuccia and Mrs Robyn Mulligan
Teacher Librarian:	Mrs Carmel Hartz
Music Teacher:	Mrs Susan Morris
Kindergarten:	Ms Therese Cohen and Ms Jade Conwell

Year 3:	Mrs Kim Osling and MR Steve Harria/Ms Christine Ryan
Year 4:	Ms Isobel O'Neil and Ms Fiona Bolton/Mrs Dana Owsinski
Year 5:	Mr Mark Dobb and Mrs Libby Howard/Ms Cassie Vane Tempest
Year 6:	Mr Lee Sullivan and Ms Cherriene Turnbull/Ms Cally Witt
Aspect staff:	Site Coordinator – Mrs Alison Larkin

Religious Education News - Ms Fiona Bolton

Welcome back to St Patrick's for 2020.

On Tuesday the staff from St Patrick's, St Joseph's and St Edwards gathered together to celebrate mass as we begin a new school year. Father Greg reminded us all about our vocation as teachers and it's importance in the world today. We are very blessed to be able to guide your children and support you as parents. The theme for this year in our church community is "The year of love" which encompasses all we do. Much love and support has already been displayed this year as people went out of their way to support those affected by drought and bush fires. Many thanks to all who made up backpacks for those students down south who have lost everything. It's the small things that make such a difference.

Important Dates: Opening school Mass 9am 14 February

27 February First Reconciliation information night: 7.30 in the church - If you have a child in Years 4-5 who need to make their first reconciliation, please contact me for information. Those students in Year 3 have already been sent hard copies of the forms and an email with forms was sent to 4,5 & 6.

Many blessings for this year.

Asthma, Allergy and Anaphylaxis Forms

Medical Updates 2020

If your child has a medical need such as asthma, allergy or anaphylaxis they need to complete an updated form to return to school for 2020. These forms need to be updated every 12 months to make sure we have the correct information and action plan for your child. It is also required for the schools WHS.

If your child was previously recorded as having asthma a new form was sent home on Thursday. If they manage their asthma with standard asthma management as listed on the form please just tick this box, sign at the bottom and return it to school with their asthma medication. If your child is in Primary they keep their puffers in their bags. If they are in infants, their puffers go to the office.

If your child has a variation to the standard asthma treatment or has an allergy or anaphylaxis plan please have the correct form signed by your doctor and then returned to school. If they require medication other than Ventolin (asmol) then you will also need to obtain a "Request to Administer Medication" form from the front office to send in with the medication.

Thank you for those parents who have already sent in the update forms. I realise this paperwork can take some time but it is really important that we have the correct, most up to date action plans for your child's medical needs.

If you have any queries regarding the required forms or information please contact the front office.

From the LARC (Learning And Resource Centre) and Infant's Library

Welcome to Reading in 2020. The students will visit the library each week for borrowing and library/ LARC lessons. Throughout the year we will also be participating in exciting events such as the Premier's Reading Challenge, National Simultaneous Story time, the Book Fair and Book Week.

Together let us encourage reading and foster a love of literature in our children.

Please remember a library bag is required on your child's library day so that they can borrow books from the library or LARC.

Library Timetable:

Tuesday	Wednesday	Thursday
2 Blue	4 Gold	3 Blue
2 Gold	4 Blue	3 Gold
K Blue	5 Blue	
K Gold	5 Gold	
1 Blue	6 Blue	
1 Gold	6 Gold	

Looking forward to sharing the world of literature with your children.

Carmen Hartz, Teacher Librarian

HELP Needed

Throughout the year we purchase many new books for the library, LARC, classrooms and literacy groups. After they have been entered on the computer they all need covering. If you are confident at covering books using contact and would like to help please contact the school via email. Contact will be supplied, cut and ready to cover these amazing new books. Books and contact will be sent home in bags and can be returned when you have covered the books at your leisure.

Thank you in anticipation of your help.

Bus Flashing Lights campaign

Mon, 27 Jan to Fri, 31 Jan.

Motorists warned to slow down to **40km/h** when bus lights flash.

Encourage the school community to be **'Bus Aware'**.

Did you know that by law you must slow down to 40km/h when bus lights are flashing?

As our students start the 2020 school year, the NSW Government and your local school bus operator Busways are reminding parents, teachers and other motorists about this law which is designed to keep our kids safe.

Lights begin to flash when the bus stops and the doors open, and they keep flashing for 20 seconds after the doors close. Children are most at risk in the minutes after they get off the bus as they can be unpredictable in their movements.

Drivers should look out for children who are crossing the road or waiting to cross. Lights flash on buses to warn motorists that buses are picking up and dropping off children. By law, a driver must not overtake or pass a bus with flashing lights at more than 40km/h.

As young children are still developing skills around road safety, drivers should take care around bus stops where children might want to walk across the road.

Fines of up to \$275 and three demerit points can apply if a motorist is caught going more than 40km/hr when passing a bus with its flashing lights on.

Motorists can help reduce the risk of a crash and keep children safe by:

- Slowing down to 40km/h when bus lights are flashing,
- Looking out for children crossing the road near bus stops, along bus routes, and
- Giving way to buses when they merge back into traffic.
