attend

From our Acting Principal Mr Chris Franklin.....

Dear Parents and Carers,

Our term is quickly disappearing as we now suddenly find ourselves at the mid-point of Term 2. The students are eagerly learning and rehearsing their dance routines to share with you in our upcoming concert early in Term 3.

I have spoken to a number of students about wearing the correct **Winter School Uniform** this week and would appreciate if all parents could also check that their children have all the necessary components of their uniform when they leave each day for school. A number of students have missing or damaged school ties and this is an important aspect of our uniform. I ask that you please replace any missing or damaged items over the next week so that each student is representing our school with pride. It is an expectation that all students wear the correct uniform with all of its components every day.

This week saw the students attend with a variety of **crazy hair styles** on Tuesday to support our past student Sophie H and her fellow students and teachers who all participated in The World's Greatest Shave to raise money for the Leukaemia Foundation. A massive congratulations to St Joseph's College who raised in excess of \$32,000 with this event and a very big thank you to the families of St Patrick's who contributed an extra \$433 to the cause with your donations on Tuesday.

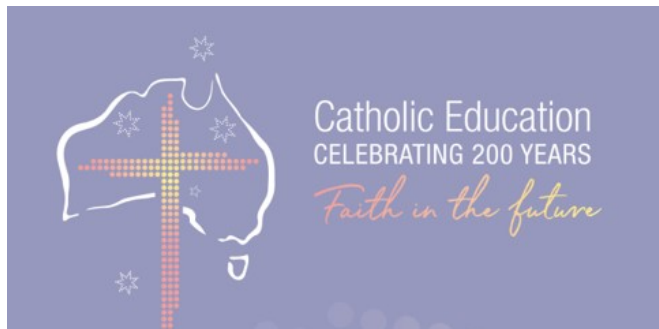

Last week I had the absolute pleasure of joining the Year 6 students on their annual **excursion to Canberra**. I was impressed with the maturity and behaviour of each of our students over the three days and many venues that we attended. We had positive feedback from every venue and the hotel about the exceptional behaviour of our students.

I would also like to extend a big thank you to Mrs Turnbull, Mrs Stitt, Mr Sullivan, Mrs Ristuccia and Mrs Wagstaff who gave their time so that this excursion was possible and were away from their families for these days.

Next Monday (24/5/21) our Diocese will celebrate **200 years of Catholic School Education** with a special Mass. Our Primary students will walk down to St Edward's College to participate in this Mass at 10:30am and our Infants students will participate in the Mass via a live link to their classrooms.

On Tuesday next week (25/5/21) we have eight students representing St Patrick's and the Central Coast Cluster of Schools at the **Diocesan Cross Country Trials** at Fagan Park in Galston. These students will be competing against Catholic Schools from the Northern Beaches and the North Shore Clusters of schools for a place on the Broken Bay Cross Country Team who will then attend the Polding Trials at eastern Creek in a few weeks.

We wish the following students well on Tuesday: Lorenzo A, Kowhai B, Carys S, Robbie F, Aaditya G, Tahia L, Ashton M and Ava S.

Our annual **playgroup sessions** begin on Thursday next week (27/5/21) from 9am until 10am on the Infants Campus. Thank you to Miss Conwell and Ms Cohen who have prepared and will lead this session which will have a beach theme. There will be further playgroups on Wednesday 16/6/21, Monday 2/8/21 and Friday 27/8/21. Please see our playgroup flyer or contact the School Office for further information.

We will welcome Mrs Walsh back to school after her leave on Monday 31 May 2021 and Mrs Osling will also return to her Year 3 classroom on the same day.

Chris Franklin

FROM OUR ACTING RELIGIOUS EDUCATION CO-ORDINATOR MR SULLIVAN

BEAUTIFICATION OF SALVATORIAN FOUNDER

Last weekend the beautification of Salvatorian Founder, Fr Francis Mary of the Cross Jordan took place in Rome. Over the last 20 years the Salvatorians have led our community.

Extract from the Parish Bulletin

Fr Francis Jordan was born John Baptist Jordan on 16th June 1848 in Germany. He was known to spend much time in private prayer, and his time as a painter and decorator showed him the vast material and spiritual needs of the people. After his ordination in 1878 he had thoughts of uniting all Catholics to spread and defend the faith. His vision was for a society of clergy, religious and laity working together for this mission.

The pre-Vatican II Church, however, was not ready for this and encouraged him to start a religious order instead. Therefore, on 8th December 1881 three priests, including Fr Jordan, made their vows to what we now know as the Society of the Divine Saviour. Exactly 7 years later the congregation of sisters was founded. Fr Jordan died on 8th September 1918.

Today, spread over more than 40 countries, there are over 3000 Salvatorians who work through a number of apostolates such as parishes, pastoral care, aged care, youth work and as missionaries. Through this work the vision of Fr Francis Jordan is becoming more and more of a reality. In 2020 Pope Francis set the date for Francis Jordan's long awaited beatification, 15th May 2021. Salvatorians worldwide will be united more

than ever despite being physically apart. In Australia, NSW Salvatorians will celebrate a thanksgiving Mass for the beatification with their local Bishop, Most Rev Anthony Randazzo, on 18th June. This will be followed by an Australian celebration in Perth with Archbishop Timothy Costelloe on 8th September.

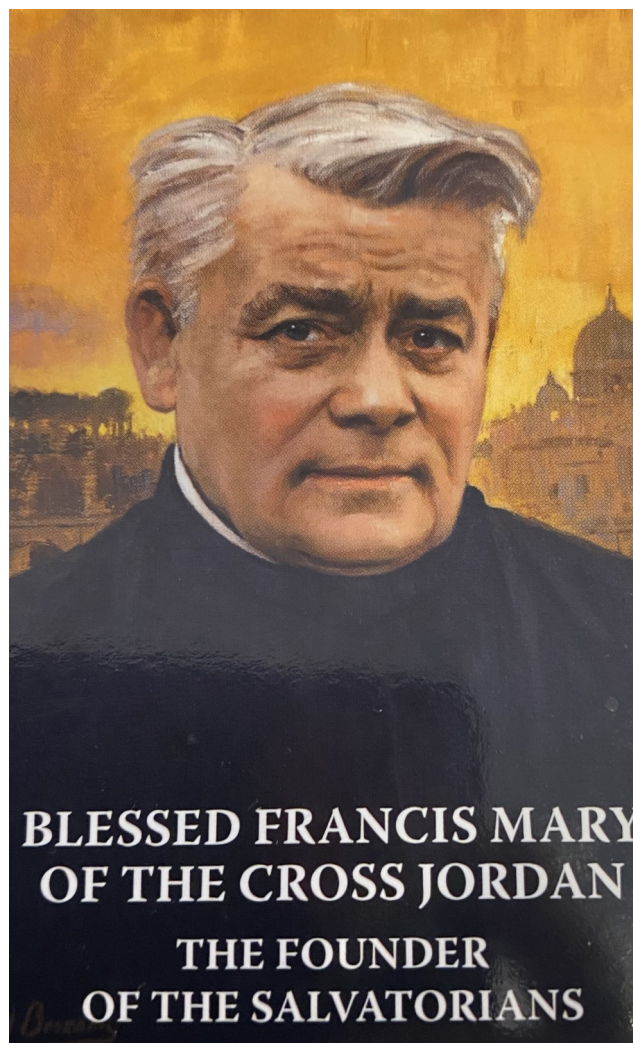

These celebrations will also commemorate the 60th anniversary of the Australian Region and the 140th Anniversary of the Salvatorian Order and further strengthen the bond of the Salvatorian family

Confirmation

Please keep in your prayers all those children preparing for the Sacrament of Confirmation next month.

200 Years of Catholic Education Plans are being made to celebrate and recognise 200 years of Catholic Education in Australia.

Students from St Patrick's, St Joseph's and St Edwards will come together at mass on 24th May at the Edmund Rice Centre. This day has been specially chosen as it is the Feast Day of Mary Help of Christians and she is the patron saint of Australia. We look forward to joining with our High School students to celebrate this event.

FROM THE PARISH

Upcoming Confirmations in June.

SUNDAY JUNE 6 - Bishop Anthony Randazzo will officiate at three Mass on Sunday June 6 for the confirmation of our children.

- 9:30 am, a group of 11 from St Edwards
- 11:30 am, 1st group of Year 3 children
- 2:00 pm, 2nd group of Year 3 children

If parents have any questions, please call the Parish Office on 4325 1042.

Parish Dinner fundraiser

Saturday May 29th

Let's bring a plate to share and enjoy this Sunday together!

My Canberra Trip by Elsa

My alarm went off at 5:00am on Wednesday. I was so tired but my excitement pulled me out of bed. We arrived at school at 5:45am. It was so dark you could only just see the outline of people's faces. It took a while for me to find my friends because of the huge crowd. Just think about it, sixty kids with at least one parent with them it was chaos! After everyone was organised we put our luggage under the bus, said goodbye and set off. The bus ride was 5 hours including a stop for recess. Everyone cheered as we crossed the border.

Once we arrived we went to the National Art Gallery. There were so many unique and fun paintings. We also visited the National Museum but my favourite thing that we went to on day 1 was the Australian Mint. We watched coins get made by robots. The coins fell into barrels making a sound like windchimes in the strong wind. Apparently, when you're down there with the robots it's so loud you have to wear earplugs!

After a long day we headed to Sundown Villas we got sorted into cabins of mostly 5. We put our luggage into our cabins and went to dinner. Dinner was great, we had hot steamy burgers with hot chips and salad with some ice cream for dessert to top it off. Afterward we went back to the cabins, had showers, settled in and went to bed.

We stepped outside our cabins and literally froze. I was in my winter school uniform but I forgot tights so it was even colder! We shivered as we walked to breakfast at 6:45 on Thursday. At 8:00 we set off for another full day of activities. The best by far though was Parliament House (the new one). We got to watch Scott Morrison and Lucy Wicks in action from a soundproof glass box above. We even got to eat frozen yoghurt in Parliament house!

On our last day in Canberra we went to the A.I.S (Australian Institute of Sport). There was so many fun games including one when you laid down on a sled like thing and leaned left and right to steer your toboggan.

Overall in Canberra I had an amazing experience that I got to share with my friends and classmates. I took way too many photos and it took ages to show my parents all of them. The cold mornings are definitely worth it. I was exhausted when I got home. I couldn't wait to lie down in my bed and fall asleep.

Thanks to our amazing teachers

Canberra by Sarah S

Oh, Canberra! One of the best excursions I've been on. If I do say so myself. Cold nights, yummy food and breathtaking views. it's hard to say no to this experience. There was so much to see and do, even if we had longer we wouldn't see it all.

To begin you know you're in Canberra when you wake up and the cold just hits you. You might think it's bad but snuggling under the blankets is just so cozy and warm. The glass is frosty and outside is as cold as Antarctica, but being in the warmth of the cabin is just calming. Speaking of cabins, they were truly spectacular. The cabins give you a hint of independence with really comfy bunk beds! The food there was so delicious you had to go for seconds, especially Breakfast. Scrambled eggs, sausages and hash browns, yummy!

"We are not spending enough money on defence!" Was the cry I heard from the House of Representatives. There was definitely some serious business happening in there. Budget week was definitely exciting and to top it all off we got to see Scomo! Awesome!

Nerves rush through my body, or the weightlessness of the elevator. I hold my breath as I step outside the elevator and I feel free. I can't describe how tall Telstra tower is. It makes you feel small. After a Whole bunch of selfies and scenery for that day, we were exhausted, but it was worth it!

To conclude three jam packed days of freedom, we ate our way through the end with McDonald's. It was so cool eating out with my class, and it was a great way to end the trip.

I feel so lucky to have been able to go. A place as special as Canberra, learning and seeing so many new things, I definitely have to go again!

Students from our school recently went on an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

MINI VINNIES TEAM.....

Dear St Patrick's families,

The Mini Vinnies team would like to make you aware of the **#Family Winter Sleepout @Home** appeal.

Date and Time: Friday, 30 July 2021 @ 7:30 pm

Location: Family Homes

Families across Australia to be advocates for the Homeless. St Vincent de Paul are hoping to raise funds and awareness about homelessness and disadvantage in our community. Please join us on July 30, in your very own home and:

- Make a card, write a message and attach it to a muesli bar/biscuit snack to be donated back at school, to be taken and shared on the streets by the Vinnies Night Patrol Van.
- Make soup together to drink to stay warm when out on your own sleep out/sit out. This is something that the Van usually distributes to those on the street.
- Sleep/Sit outside in the cold for a period of time, with only cardboard to sit on. During this time, discuss questions around how you are feeling, how the homeless must feel, as well as share some facts to raise awareness of Homelessness.
- Pray together as a family for those people in our community who have no secure, warm housing.
- Donate what you can through the fundraising page.

All money will assist Vinnies in providing support for those in our community who need it the most.

For further information, and to donate, please go to [#Family Winter Sleepout @Home in Fund-raise your way \(vinniesnsw.org.au\)](https://www.vinniesnsw.org.au)

Thank you for caring.

From the Mini Vinnies team.

Vinnies
good work

From Mrs Hartz in the Library and LARC (Learning and Resource Centre)

Premier's Reading Challenge

We have a few more avid readers who have completed the Premier's Reading Challenge for 2021.

Congratulations to Anna in 1G, Jude in 3B, Esther in 4B and Georgie in 5B for reading exciting books over the last few weeks.

Keep reading everyone.... there is plenty of time to complete this years challenge!

National Simultaneous Storytime

This week children from Kindergarten to Year 4 enjoyed the story "Give me some space" by Philip Bunting.

Children were very excited to hear the story read to them from the International Space Station by astronaut Dr Shannon Walker.

We learnt lots of facts about space especially that "We are life in space" and that we must take care of our planet because no other planet can support life.

Year 2 Excursion

To enrich our experiences in History and Geography, Year 2 visited a range of local and historical sites - Bulgandry Aboriginal Art Site (Karing), Henry Kendall Cottage (West Gosford) and Pioneer Park (Point Frederick).

This was an integral component for inquiry learning as we explored our local environment, connection to these places and their history. We also saw communication through art and how technology has changed over time.

We researched, identified and explored significant people, events and places within our local community. The students recorded their thinking and learning using digital technology which can then be embedded in our classroom learning.

History
and
Geography

CRAZY HAIR DAY

We had a fun day at St Pat's supporting St Joseph's and St Pat-s Ex-student Sophie H who had her head shaved for The World's Greatest Shave Event—St Patrick's raised \$433 which Sophie was very pleased to add to her ever growing total . Here is the link to St Joseph's Facebook page.

<https://www.facebook.com/hashtag/thatdayweraisedthirtytwothousanddollarsforcancerresearch>

Bingo Night— Our Bingo night will be held on Saturday 24th July at Terrigal Bowling club approx. time 6.30pm. 10 Games to be played. More details to come in the following weeks. Unfortunately, no children will be able to attend.

We are asking for families who own business who would like to donate prizes to our Bingo Night, Big or small, anything is greatly appreciated.

Bingo Prizes/ Auction Items/ Raffle so far and a massive thank you to the following:

- Tyrrell's 2016 Shiraz by Adam Crouch & NSW Premier, Gladys Berejiklian.
- Carillion 2018 Sauv Blanc Chardonnay Adam Crouch & NSW Premier, Gladys Berejiklian.
- x4 \$25 McDonalds Vouchers
- Hunter Valley Zoo Family Pass
- X2 Family Vouchers Erina Ice Arena
- Studio CCVR 2 x 1 hour VR experience vouchers to you
- Monkey Mania x2 Family Passes
- Kidsworld at impact Centre Erina entry for 3 children
- 30 m retractable hose reel from Hoselink
- Irukandji Family Pass (2 adults 2 kids)
- Big 4 holiday parks membership
- Australian Turf Club (Horse Racing) 4 General Admission tickets (entry into either Rosehill/ Randwick/Canterbury Park or Warwick Farm)

Our next P & F Meeting is on Wednesday 2nd June. We look forward to seeing our regulars and we welcome any new parents and/or carers who would like to take part. If you have any feedback and your unable to attend our P & F Meeting, please email Rachael – rach380@hotmail.com or Louise – louise.bridekirk@bigpond.com.

Canteen update

Thanks to all of our wonderful volunteers who ensure both canteens have been open each and every week this term. Attached is the most recent roster – please contact Louise on 0407 100 433 or comment on 'Our Kids Canteen' Facebook page if you can help out.

We are trialling **Gluten Free sausage rolls**, so please if you have a gluten free child, we welcome your feedback with new menu items. We are currently looking at options that will increase our capacity on the primary canteen.

A few questions you may need answering.....

- *What happens if my child is sick and I have ordered a canteen lunch?*
If you order lunch for your child/children and they are unwell on the day. Contact the office before 9am if they are not attending school and we will arrange for a cash refund to be sent to your child's classroom the next school day

If you pick your child up from school during the day – please understand that we have already catered for your child, therefore a refund is not available

- *What happens if something is missing from my child's lunch order or I have ordered lunch and they have not received it?*
Please understand that sometimes items get missed – this happens more regularly with large orders or when children order a variety of different food. We are completely volunteer run and packing lunches for the whole school sometimes gets a little crazy. If your child recognises that they are missing an item – please advise them to
 - a) tell their teacher if they are in infants
 - or b) come to the canteen and talk to the volunteers if in primary
- *Keep your child's details up to date on QKR – if your child is listed as being in kindergarten, but they are actually in year 5 – this makes it quite hard for us to get their lunch to them.*
- *Order under the appropriate side – Infants Menus if your child is in infants and Primary Menus if your child is in primary. If you have a child on each side – please check you have ordered from the right canteen for each child.*
- *Order by the cut-off time and that you receive a receipt - this assists us if your child presents at the canteen and tells us they do not have any lunch and their parents/carers ordered them a lunch order.*

TWO volunteers are required for each canteen on Wednesday (where possible) and Friday:

Wednesday is recess only and shift is approx.: 10:30am – 11:30am

Friday Split shifts or full days are available on Fridays as follows:

Full day: 9:30am – 2:00pm or Morning shift: 9:30am – 11:30 or Afternoon shift: 11:00 – 2:00

Current roster is posted on our Facebook Page: **"Our Kids Canteen"**

Please add a comment below the roster on our Facebook page to fill a shift or you can conta

Louise Bridekirk Ph: 0407 100 433

TRAINING WILL BE PROVIDED if required. Thank you.

What did I think of Muogamarra? I thought... Muogamarra is a wonderful place.

Lots of fresh air and lots of space!

Muogamarra is loads of fun, I recommend it to everyone.

What did we do there? We... painted our faces with ashes so black and followed an interesting bushwalking track.

Covered our arms with ochre paint and climbed a big mountain that made me faint.

We learnt about the Indigenous, and heard many a tale.

Even saw an Indigenous carving of a big, cool, whale!

We found a tree that cools you down, our guides really should be proud.

By Dione Fifita (4B)

I went to Muogamarra, it was as hot as lava and we learnt about lots of things.

We found a bush of leaves and it smelt so peacefully.

I put it on my hand and we walked across more land and saw how They used to be.

Then we found a beautiful tree and we sat there peacefully.

I put the burnt bark on my face and people thought I looked like a disgrace.

We found an unusual plant that the Indigenous used for super glue, I got poked a few times by that!

They named it the grass tree which grew 1cm a year and used the spike as a spear because could float.

That was my adventure and everything had different textures and now I know a lot extra.

By Rebecca Liu (4 Gold),

Muogamarra, a place that many species of animals and plants live in, that aren't in Sydney. For example, for years when there were bushfires the trees will gain ash on their bark, which Aboriginal people would spread on their faces and body like paint. Also the sandstone rocks they find, they use to make different paints like red, orange and a rare pink.

They would eat things like the nectar from banksia, but when the banksia is soft they use it as toilet paper, but if it is spikey they use it as a comb.

Aboriginal people would find nuts in the wild. But a specific nut has poison in it. But the Aboriginal people knew how to get rid of it, by peeling off the shell, crushing it up then putting it in a string basket to put in a stream of water, They used small gum nuts on stick sticks to brush their teeth.

Strangely, there was a plough that convicts probably used. The Convict was located at Muogamarra as well. The convicts had used the rock that mined to create a ledge.

Also they had a kangaroo arving that pointed to the women's site. Those wonders of Muogamarra.

By Codey Pearman (4G)

We were at Muogamarra for our Year 4 excursion and the subject is His- and Science.

Red Gum Trees

The Red Gum Tree would cool Aboriginals down when they were very hot in summer.

Banksia

Aboriginals could put their fingers in the banksias and get fresh yummy nectar.

Overhangs

Overhangs were mostly on mountains. They hang out so it's shady and this means it is a good place to sleep.
