## From our Principal Mrs Cheryl Walsh.....

Dear Parents and Carers,

I am very pleased to be back at school after my two weeks leave, although I do wish the weather was warmer! This week I have interviewed 45 families who are wishing to enrol their children for Kindergarten next year. I have more interviews planned for next week.

If there are any families or friends who wish to enrol their child for Kindergarten next year, can I ask that you return your completed application form asap and make an appointment to meet with me. Over the next two weeks Mrs Donna Ristuccia will be running Screeners for our 2022 Kindergarten students. Official letters of Offer will be sent to parents before the end of the term.

### Primary Gates

Finally the Primary gates will be ready on Monday. They will be commissioned over the weekend. This means that when a primary student arrives late or leaves early, parents can buzz the office, we will be able to release the gate for you to enter the school, BUT parents now have to remember to use the KIOSK near the Canteen to sign in or out your child. So please don't leave you child at the front gate if you are late. **YOU CANNOT USE YOUR PHONE TO SIGN YOUR CHILD IN OR OUT ON COMPASS FOR A PARTIAL ABSENCE.**

### Welcome to Mrs Cheryl Frazer

As previously communicated, we interviewed for a new Music Teacher after Mrs Morris changed her role to a permanent full time classroom teacher. I am very pleased to announce that last week Mrs Cheryl Frazer joined our staff as our new Music Teacher. Mrs Frazer has been the Music Teacher at St John's Woy Woy for a number of years. I am sure you will join me in welcoming Ms Frazer to our school.

### Return of Mrs Osling

It is great news that Mrs Osling returned to Year 3 this week after her illness over the past months. Mrs Osling is very excited to be back at school and the Year 3 students are equally excited to have their teacher back as well.

### Parent Teacher Interviews and Reports

The Semester 1 Reports will be made available to you on Friday 18<sup>th</sup> June. You will be able to access these through Compass. This year the Report Comment will be different. As a staff we decided that the comment would be much shorter. The reason for this is because by the end of this term parents will have had the opportunity to meet with their child's teacher twice, one in Term 1 and again this term in Week 10. Please take this opportunity once again to organise a meeting with the class teachers.

The Parent Teacher Interviews will run over two afternoons/evenings this year – Tuesday 22/6 and Wednesday 23/6, and there may be some times during the day on these days, when the class teachers have their release. A compass feed will be sent out to parents once these times have been finalised.

### Culture Survey

Thank you to all the parents who completed the Catholic Schools Broken Bay (CSBB) Culture Survey. Although I have not received the results for our school, I do know that our Director Danny Casey was very impressed with the results. That there was a strong correlation between the desired values for parents, staff and students and those currently evident in our schools. Once I have received the results for the school I will share them with you.

### Canteen Survey

Thank you to all the parents who took the time to complete the Canteen Survey. It was great read through your responses. For those parents who said they could help out in the canteen occasionally, someone from the P & F will be in touch with you before the end of the term so we can organise the roster for Term 3. We also hope to share some information about the responses, to answer some questions etc before the end of the term.

### Playgroups

Last week we had our first playgroup which was well attended. We have another planned for 16<sup>th</sup> June and then two more in August – 2<sup>nd</sup> & 27<sup>th</sup>. Hopefully more families will be able to join us for one or more of these sessions.

Thank you for your continued support.

Cheryl

## FROM OUR RELIGIOUS EDUCATION CO-ORDINATOR MS FIONA BOLTON

National Reconciliation Week is celebrated from 27 May to 3 June every year. It is a time for all Australians to engage in shared histories and cultures and understand how we can all work towards reconciliation.

The theme for 2021 *More than a word. Reconciliation takes action*, urges the reconciliation movement towards braver and more impactful action. 2021 marks twenty years of Reconciliation, recognising that Reconciliation must live in our hearts, minds and actions

as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples.

This week we commemorated National Reconciliation Week within our school through liturgy and learning activities as we recognise that Reconciliation is an education process and the key to positive change. Aboriginal and Torres Strait Islander Histories and Cultures form a crucial part of the Australian curriculum within all our Key Learning Areas, providing the opportunity for all students to gain a deeper understanding of First Nations cultures, traditions and stories. No matter how young or what kind of background, students can begin to engage in learning more through impactful stories, created by First Nations people.

Let us pray a special *Prayer for Reconciliation*

Holy Father, God of Love,  
You are the creator of this land and of all good things.  
We acknowledge the pain and shame of our history  
and the suffering of our peoples – especially the grief of those who were taken  
as children from their homes and families,  
taken from all they knew and loved.  
We ask your forgiveness.

We thank you for the survival of Indigenous cultures.  
Our hope is in you because you gave your son Jesus to reconcile the world to you.  
We pray for your strength and grace to forgive, accept and love one another  
as you love, forgive and accept us.

Give us the courage to acknowledge the realities of our history  
so that we may build a better future for our nation.  
Teach us to respect all cultures.  
Teach us to care for our land and waters.  
Help us to share justly the resources of this land.  
Help us to bring about spiritual and social change  
to improve the quality of life for all groups in our communities,  
especially the disadvantaged.  
Help young people to find true dignity and self esteem in the ways of your Spirit.

May your power and love be the foundations on which we build our families,  
our communities and our nation.  
Through Jesus Christ our Lord. Amen.

a Prayer prepared by Wontulp Bi-Buya Indigenous Theology Working Group 13th March, 1997, Brisbane QLD

### Confirmation

This weekend we pray for all our students receiving confirmation. May they call on the Gifts of The Holy Spirit that they receive at Confirmation to support them throughout their journey of Faith.

### Congratulations

Congratulations to both Father Greg and Father Paul as they celebrate the anniversaries of their ordination; Father Greg 10 years and Father Paul 1 year. We are very blessed to have you in our parish.

## PARENT RESOURCES FOR eSAFETY

Last Friday, Senior Constable Peter Hughes from the School Liaison Unit at Gosford Police Station, visited and spoke to our Stage 3 students about the importance of being safe online. Although it is recommended that children **do not** have social media accounts **before the age of 13**, many of our students are already accessing various social media platforms including Tik Tok and online games. Social media exposes our children to bullying and contact from strangers purporting to be someone else, often adults pretending to be children or other people cyber bullying them. Senior Constable Hughes talked to our students about the risks of being online before 13 years of age, ways to keep safe online, what to do if you become a target of cyber bullying and the personal consequences of negative online behaviour. Whilst we hear a lot of important messages, one student recalled that *"what goes online, stays online"*.

***We also learnt about the Grandma rule – before making a post consider whether you would send or share it with your grandmother.***

If you would like to know more about eSafety as a parent, or advice on how to discuss cyber safety with your child, there are some excellent resources provided by the **Office of the eSafety Commissioner** via the following link: <https://www.esafety.gov.au/parents/resources>

## Sports News

### Broken Bay Rugby Union

Congratulations to Liam Thompson and Jack Reynell on selection in the Broken Bay Rugby Team for the Polding Trials in Forbes. Jack and Liam play in the forwards. We look forward to hearing how they go at the Carnival on Monday 21<sup>st</sup> June.

### Cross Country

What a glorious day we all had at Fagan Park for the Diocesan Cross Country. Our school was well represented with Lorenzo,

Tahlia, Ashton, Robbie, Ava, Kowhai, Carys and Aaditya. Parents, teachers and children all walked the course together first, that was enough for me!

Then the children ran the course in their age groups, they all did this with enthusiasm and gusto.

Congratulations and good luck to Lorenzo and Tahlia who made it to the next level, they will compete at the NSW Catholic Schools Championships

held at Sydney Motorsport Park Eastern Creek on Tuesday 8 June.

## PADDIES.....

What is it? Our parish youth group which involves a night of friendly

Who can come? Any child in year 5, 6, 7 or 8. Where is it held? In St Patrick's School Hall.

When is it held? Every second Friday night during school terms, from 7pm - 9pm.

Remaining dates for Term 2 – June 4th & June 18th How much? \$2 per child

What would you need to do? When dropping off and picking up your child we need an adult to enter the hall with your child to sign them in and out. We also need a contact and medical details form to be filled out the first night your child attends.

More Information: At pint sized paddies our nights consist mainly of games, some team games and some individual, that encourage a little teamwork and help the children to make friends with children in other year groups as well as having fun with their own grade.

All Children attending paddies must wear closed in shoes such as some of the games do involve running. Shoes must be kept on throughout the night due to safety reasons. All children must also bring along a water bottle.

Due to COVID restrictions we require all children wishing to attend, to RSVP by either emailing us at [pint-sized-paddies@gmail.com](mailto:pint-sized-paddies@gmail.com), messaging our Facebook page called "Pint Sized Paddies" or texting us on 0423 243 285.

If you have any questions feel free to contact us on any of the above.

Join us for a night of Fun and games

Every second Friday, 7pm - 9pm

## FACT SHEET FOR PARENTS, GUARDIANS AND CARERS

### WHAT IS THE NCCD?

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) takes place every year.

The NCCD is a collection that counts:

- the number of school students receiving an adjustment or 'help' due to disability
- the level of adjustment they are receiving to access education on the same basis as other students.

Students are counted in the NCCD if they receive ongoing adjustments at school due to disability. This 'help' allows them to access education on the same basis as a child without disability. The NCCD uses the definition of disability in the *Disability Discrimination Act 1992*.

Schools provide this information to education authorities.

Go to *What is a reasonable adjustment?* below to learn about adjustments.

### WHY IS THIS DATA BEING COLLECTED?

All schools in Australia must collect information about students with disability.

The NCCD:

- ensures that the information collected is transparent, consistent and reliable
- provides better information that improves understanding of students with disability
- allows parents, guardians, carers, teachers, principals, education authorities and government to better support students with disability.

### WHAT MUST SCHOOLS DO FOR STUDENTS WITH DISABILITY?

All students have the right to a quality learning experience at school.

Students with disability must be able to take part in education without discrimination and on the same basis as other students. To ensure this, schools must make reasonable adjustments if needed for students with disability. Educators, students, parents, guardians, carers and others (eg health professionals) must work together to ensure that students with disability can take part in education.

The *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005* describe schools' responsibilities.

### WHAT IS A REASONABLE ADJUSTMENT?

An adjustment is an action to help a student with disability take part in education on the same basis as other students.

Adjustments can be made across the whole school (eg ramps into school buildings). They can be in the classroom (eg adapting teaching methods). They can also be for individual student need (eg providing personal care support).

The school assesses the needs of each student with disability. The school provides adjustments in consultation with the student and/or their parents, guardians and carers.

Schools must make reasonable adjustments if needed. The *Disability Standards for Education 2005* define 'reasonable adjustment' as an adjustment that balances the interests of all parties affected.

### WHO IS INCLUDED IN THE NCCD?

The definition of disability for the NCCD is based on the broad definition under the *Disability Discrimination Act 1992*.

### HOW IS THIS DATA USED?

The NCCD data informs funding and work by schools and sectors. It ensures that support for students with disability becomes routine in the day-to-day practice of schools. The NCCD also supports students in the following ways.

- The NCCD helps schools better understand their legislative obligations and the *Disability Standards for Education 2005*.
- Schools focus on the individual adjustments that support students with disability. This encourages them to reflect on students' needs and to better support students.
- The NCCD facilitates a collaborative and coordinated approach to supporting students with disability. It also encourages improvements in school documentation.
- The NCCD improves communication about students' needs between schools, parents, guardians, carers and the community.

The Australian Curriculum, Assessment and Reporting Authority (ACARA) annually publishes high-level, non-identifying NCCD data.

### WHEN DOES THE NCCD TAKE PLACE?

The NCCD takes place in August each year.

### IS THE NCCD COMPULSORY?

Yes. All schools must collect and submit information each year for the NCCD. This is detailed in the *Australian Education Regulation 2013*. For more information, ask your school principal or the relevant education authority.

### Student with disability loading

Funding from the Australian Government for students with disability is based on the NCCD through the student with disability loading.

Students with disability who are counted in the top three levels of the NCCD (extensive, substantial and supplementary) attract the loading. Funding is based on a per-student amount at each of the three levels of additional support. The amount of the loading reflects the level of support students with disability need to participate fully in school, with higher funding for those who need higher levels of support.

Australian Government recurrent school funding is provided as a lump sum to school authorities including state and territory governments, which can then distribute the funding to their member schools according to their own needs-based arrangements.

The Government expects schools and school systems to consider their funding from all sources (ie Australian Government, state and territory and private) and prioritise their spending to meet the educational needs of all of their students, including students with disability. This can include payment of professional learning for staff and building inclusive cultures in schools.

### WHAT ARE THE BENEFITS OF THE NCCD FOR STUDENTS?

The information collected by the NCCD helps teachers, principals, education authorities and governments to better support students with disability at school.

The NCCD encourages schools to review their learning and support systems and processes. This helps schools to continually improve education outcomes for all students.

The following students are examples of those who may be included in the NCCD if they need monitoring and adjustments:

- students with learning difficulties (such as dyslexia)
- students with chronic health conditions (such as epilepsy or diabetes).

### WHO COLLECTS INFORMATION FOR THE NCCD?

Schools identify which students will be counted in the NCCD. They base their decisions on the following:

- adjustments provided for the student (after consultation with the student and/or their parents, guardians and carers)
- the school team's observations and professional judgements
- any medical or other professional diagnoses
- other relevant information.

School principals must ensure that information for the NCCD is accurate.

### WHAT INFORMATION IS COLLECTED?

A student is counted in the NCCD if they receive reasonable adjustments at school due to disability.

Each year, schools collect the following information about the student, including:

- their year of schooling
- the level of adjustment received
- the broad type of disability.

For students who have more than one disability, the school uses professional judgement to choose one category of disability. They choose the category that most affects the student's access to education and for which adjustments are being provided.

A high level summary of the NCCD data is available to all Australian state and territory governments to improve policies and programs for students with disability.

### HOW IS STUDENTS' PRIVACY PROTECTED?

Protecting the privacy and confidentiality of all students is an essential part of the NCCD.

Data is collected within each school. Personal details, such as student names or student identifiers, are not provided to federal education authorities. Learn more about privacy in the *Public Information notice*.

### FURTHER INFORMATION

Contact your school if you have questions about the NCCD. You can also visit the *NCCD Portal*.

There is also a free e-learning resource about the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*.

## MINI VINNIES WINTER APPEAL

The Mini Vinnies team are collecting snack food items (list attached) to make food packs to be distributed to the homeless and those in need. If you are shopping in the next fortnight and are able to purchase one of the snack item from the list it would really help the team. Please send it in to your child's class and the Mini Vinnies team will collect these to make them into snack packs for distribution

We will end our Winter Appeal on Friday of week 9 with a Pyjama Day. Students will be able to come into school in their PJ's. We will be collecting snack items up until then or a gold coin donation on Friday 18th June.

## Offsite Snack Packing Instructions

Thank you very much for offering your time to help prepare snack packs for Vinnies. Now more than ever, your commitment to support the most vulnerable members of our community is greatly appreciated. Please follow the instructions below for offsite snack-packing.

Each snack pack should have all 5 items in total in a zip lock bag

This **MUST** include:

- 1x popper juice
- 1x can of tuna OR cuppa soup/sachet soup OR noodles

**AND** three of the following items:

- Le Snak/Cheese Dippits;
- Packet of chips;
- Packet of sultanas;
- Fruit cup;
- Packet of biscuits (e.g. single serve Tiny Teddies);
- Muesli bar (nut-free) *Please note: muesli bars must be chewy e.g. Uncle Toby's Choc Chip Bars.*

Place 20 completed snack packs in a double bagged black garbage bag and tie in a knot.

Many thanks. Your support is greatly appreciated.

### P & F Meeting – 02 June 2021

Last night we had our Term 2 P & F meeting, thank you to all those who were able to come. We discussed upcoming fundraising events as well as the canteen. We are looking at adding Chicken Fingers back on the lunch order menu. Keep an eye out on our canteen Facebook page.
