## 2 From our Principal Mrs Cheryl Walsh.....

Dear Parents and carers,

I can't quite believe that we are at the end of the term already. The year is certainly flying and we have a very busy Week 10 with **Parent Teacher Interviews on Tuesday and Wednesday nights**. I hope you have all been able to book a time to meet with your child's teacher, as they will be able to share some very valuable information with you. There will have tea/coffee available in the hall for anyone who is interested.

### Semester 1 Reports

Your child's Semester 1 Report will be available for you to access on Compass this afternoon. Parents will receive a notification once they are ready to be viewed. If you have any questions about the Report, please ask your child's class teacher.

### Gates

The gates are now fully functional. As they are automatic please don't push them, they will open automatically. All you need to do is buzz the office and we will let you in.

### Pupil Free Day/Staff Development Day

Next Friday 25<sup>th</sup> June is a pupil free day for the students. The staff will be at school but there is no supervision for students. Staff will be involved in professional learning on the new Diocesan initiative 'Towards 2025'. Thursday will be the students last day this term.

### Concert

We have our concert next term on Tuesday 20<sup>th</sup> July. On Monday we are having a dress rehearsal at school. On the night of the concert, because of the current restrictions, we are having two sessions – Infants and then Primary. Although parents do buy tickets, if you have students in both sessions, the price will be reduced. The money from the ticket sales goes towards the cost of microphones, sound system, lighting and videoing etc. The cost per ticket is very minimal and this year we will have to restrict the number of guests per child attending. More information will be sent out soon.

### Congratulations

Last week Tahlia Lucas and Lorenzo Arrango competed in the Polding Cross Country. Tahlia came third and Lorenzo 12<sup>th</sup>. Congratulations Tahlia and Lorenzo on a great effort. Tahlia will now represent Polding at the next level.

## Moving from Fear to Faith

The journey of faith is a never-ending one... one of constantly coming to know the Father through Jesus. It parallels the journey of the first disciples - their coming to faith... their coming to understand who the Father was - and how they came to know him. God is always the one who speaks first, who acts first, who loves first; and discipleship always involves a call, an invitation requiring a response.

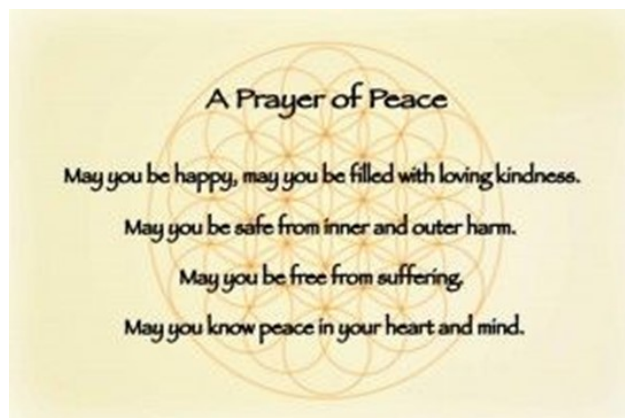

The story in this week's Gospel is a perfect example of the process of the faith journey. Jesus invites the disciples to "go across to the other side" of the lake. The response: "they took him with them in the boat."

This Gospel tells us that the real sign of discipleship is a trust in Jesus and who he is for us. We are challenged to put our faith in Christ even amid the turmoil and storms that seem to be about to sink us. All Jesus asks is our trust in him, even when there seem to be no great display of His power or miraculous intervention in times of crisis.

Our God knows that if we spend all of our lives reacting fearfully to life's storms, we will never know the fullness of life in Him. God is always with us - that is a fact. But do we trust deeply? Can we ride out life's storms by trusting the quiet, still presence of God that is beneath the surface of the storm. That is faith.

The Gospel of Mark encourages us to place our trust in Christ, whose suffering and death give meaning to our lives. We don't have to experience the challenge of discipleship, if we don't want to. But if we choose to follow Jesus then there will be power for us, the power of the cross and the power of service.

As He did in the Gospel then, Jesus stands before us and asks: *"Why are you afraid? Don't you see that I am with you?"* And as He was then, Jesus is more concerned with teaching us how to trust through the storm than he is with calming outward storms. The move from fear to faith is to hold onto Jesus' presence even when he is still and quiet.

## School Banking

**Please leave the silver tokens in your child's bank book as they save them up to claim a prize. Bank books are to be sent in on a Wednesday morning for our parent volunteers to deposit into your child's account and they will be returned to your child on a Thursday afternoon.**

### Can you volunteer? We need your help with the School Banking program!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. The School Banking is processed at the same time each week and will only take a small amount of your time. The Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they practice saving skills and also help our school with fundraising.

Currently, School Banking day is Wednesday. You will be working with our current volunteers who need a bit of help due to their own commitments.

If you are interested in volunteering for this great program, please contact the school admin ladies.

## Gateway

By Isabella 6G

Sipping on a hot chocolate quietly, I walked through the gates to OLR. GATEway - the dance enrichment program students like myself were selected to do - was being held at Our Lady Of The Rosary Wyoming, so the five participating schools were gathering there at 9:00. We had a total of 24 students.

When I walked in the warm, crisp hall, I had a sense of comfort and excitement. Everyone was very welcoming, and all the dancers had the same, spirit lifting energy. The hall was filled with immense enthusiasm and kind smiles, and when we began learning our choreography, they only grew.

Our dance teacher was called Mrs Cairns, and she was very lovely. She taught us each step with care, counting along to help us out. We eventually sped up and cleaned our dance until it looked spectacular.

In the middle session, we got into small groups and made 16 counts of choreography. Mrs Cairns made sure that in each group was a student from every school, so that we were around new people. I loved my group. We all got along extremely well and were able to perfect our small piece with practice.

One of the highlights of my special day is when we did a very creative piece of art. In groups consisting of our own schools, we listened to a calming, beautiful harmony. We were then asked to paint our feet with paint and do an improvisation on a long piece of paper. People swayed and leaped to different sides of the sheet, and the brilliant colours followed. In the end, we had a unique, delicate piece of art that we all got to take home.

I made so many new friends and was able to see and admire other dancers for their abilities. GATEway was a fantastic new experience that I would love to do again if given the opportunity.
