Dear Parents and Carers,

We are now at the end of Week 7 and only have a couple more weeks left to go of the year. I'm sure that there are many of us who would like to see this year come to an end and who can't wait to welcome in the new year.

P & F Meeting this week

We had our last P & F meeting for the term this week, thank you to those that attended, although it would have been nice to see more parents in attendance. Some of the things that were discussed were:

1. I have been looking into possible **changes to the sports tracksuit** over the passed few months. Alinta have sent in few different ones and I have narrowed it down to one. There is a sample of the jacket in the office for anyone who wants to have a look. Those present at the meeting thought it would be a good idea. It may take around 12 months for the changes to happen and of course no one is expected to get a new one if their current one is perfectly ok.

By the end of term after consultation with you we will decide whether the change the tracksuit or not. Please call into the office and give us your opinion. We will send a short survey about this.

2. We discussed the **school newsletter** and whether it was being read by parents. So we will send out a survey asking for your feedback. We always put important information in the newsletter and then quite often parents ring and say they weren't aware of events etc. if we didn't have a fortnightly newsletter it would probably be newsfeeds out to parents on Compass.

3. Tell Them From Me Survey

Parents have been sent information about completing the 'Tell Them From Me' survey, which is completed annually by parents, staff and the students in Years 4- 6. The feedback to the school and CSBB is very useful. Parents have until 30/11 to complete the survey.

Staffing for 2022

We have one new teacher joining us for 2022. Miss Maree Mulhall will be joining the staff for 2022. Maree lives in the parish and also went to school here many years ago. Maree was successful in obtaining a temporary to permanent position in the Diocese.

Mrs Dana Owsinski was also successful in obtaining a temporary to permanent position in the Diocese. This means that while we have temporary positions at St Patrick's these teacher will remain here as teachers. We are very excited to have Dana and Maree here at St Patrick's next year.

There will be some movement of teachers within the school which means some teachers will change grades for 2022.

All class groups have been finalised now and there will no changes to the groups.

Step up Day

The students will meet their 2022 class mates and teacher on **Monday 13th December** from 9 - 10am.

Semester 2 Reports

Semester 2 Reports will be made available to parents on Friday afternoon 10th December. After looking at the feedback from parents from our earlier survey, the majority of parents were happy with a shorter comment, especially when they had more opportunities to meet face to face with teachers. This year we have had three opportunities for parents to meet with teachers. We will continue this next year as the teachers and parents found this very beneficial. We will look at two zoom interviews, in Terms 1 and 4 and a face to face one at the end of term 2.

Year 6 Students Semester Reports for past years—Don't forget to download before 17 December as leaving students reports will not be visible after this date.

"Peace is the language we must speak..." Pope Francis

Thank you to the SRC who led us in our Remembrance Day liturgy on Thursday, remembering all those brave men and women who have fought/ are still fighting for peace. The theme was focused around spreading and praying for peace and is best summed up in the words of Pope Francis as well as in the prayer of St Francis.

"Let us pray for peace: peace in the world and in each of our hearts"...Pope Francis

St Vincent De Paul Reflection Day

On Monday our Year 6 students took part in a Social Justice Reflection Day run by St Vincent Paul. Fiona Pelosi from St Vincent DePaul led the sessions, touching issues such as poverty, homelessness mental illnesses and people seeking asylum. The presentation culminated with faith into action activities with the students making cards of hope and snack packs for Vinnies Van Services.

Below are some of the students' reflections about the day.

We helped out the needy with St Vincent de Paul, we made snack packs, cards of hope and talked about the environment and our physical/mental health. I learnt about the needy and St Vincent de Paul's history. I felt great knowing I had helped people who needed help.

I can donate to St Vincent de Paul a lot more than I usually do, I can also do the simple stuff such as telling someone they are loved or donating money other charities and I can help in other types of charities like cake stalls.

We shouldn't expect any praise or anything in return. Overall I learnt that there is much more to the world than money.

Elsie Roberts 6G

PTO

On Monday the 15th of November year 6 went to our school hall for a Vinnies Workshop where we spoke about social justice, homelessness and made our own food packs to give to the poor. We learnt the importance of sharing, giving and to be grateful for what we have because there are many people less fortunate than ourselves.

I felt really shocked about how many people suffer from homelessness each year. In NSW in 2016, 37 715 people were homeless, this year there is around

960 000 000 people live on the streets, in their car or on a park bench.

I can be a better person by recycling and taking things for granted because like I said not everybody in this world is as fortunate as we are, but that doesn't mean that they should be treated differently because they're humans too. If I ever see anyone on the street now and I don't have anything for them to get their hopes up, I'll give them a smile or a wave of hope. **By Sophie Maloney**

On Monday the 15th of November, a woman called Fiona, from St Vincent De Paul, came to our school to teach Year 6 more about homelessness and more about landfill. When it all happened, I felt like I had so much because they have so little. I felt so scared about the future, this could happen to anyone, but it isn't likely.

So things happened on Monday. But the highlights were definitely the snack pack making and the 'Cards of Hope'. I loved making the 'Cards of Hope'. I hope that the person or people who got my card really appreciate it. The snack packs were so much fun! There was food for months on the table.

I learned so much that day. But the most scary thing I learned about was definitely... landfill. There is so much of it. I think by the time I am 20, it will probably be 5 times the size it is now, or bigger, unless we do something now! I believe I can become a better person because of yesterday. I think we can all try to sort out our rubbish and place it in the correct bin. And we can help anyone in need, I believe I can change and grow all the time, and it is all because of the St Vincent De Paul visit that Year 6 got on Monday the 15th of November. **By Lily Talbot**

On Monday, we went to a special Vinnies Workshop. All Year 6 went to the hall and Fiona, our Vinnies instructor taught us about what Vinnies does to help people in need. I learnt that no matter how old you are you can get mental health disease and that Vinnies can help with those sorts of things. Fiona taught us about recycling and how they use the recycled clothing material to make new clothes for less fortunate people. I feel like I can make a difference and that we need to do something to help those who are less fortunate and who need help. I can be a better person by helping, sharing and giving to those in need. I can also recycle to help the homeless and/or the less fortunate.

We also got to make packs with all the snacks we brought into school. Each pack needed: 1 packet of chips, 1 packet of tiny teddies, a popper and noodles along with a few smaller things. We made so many packs for the less fortunate people and the people and the St Vincent de Paul society. At the end we added some Hope cards to give hope with the packs. We put the Vinnies phone number and details on the cards along with some inspirational hope messages. It was a great day and we all had fun. **Joseph, 6G**

THANK YOU TO FIONA PELOSI AND THE YEAR 6 TEACHERS FOR ORGANISING THIS DAY.

Students made craft and cards during well being week which was taken to a local nursing home by Mrs Osling. Please see the attached certificate of appreciation from Henry Kendall Serviced apartments.

FROM THE LARC MRS CARMEN HARTZ

There will be a **Book Fair** in the LARC between Monday 6th and Thursday 9th of December.

Monday and Tuesday are viewing days, all children will get the opportunity to visit the Book Fair with their class and write a Wish List. Hopefully they will only put 2 or 3 of their favourite titles on the wish list. The Wish List is just as named "a wish list" you are under no obligation to purchase what your children write down.

There will be **NO CASH** sales so we ask that parents make their purchases online by using the pre-payment option on the back of the wish list and then return the wish list so that children can pick up their books from the Book Fair on Wednesday or Thursday. If a title sells out as I am sure some popular titles will do, I can place an reorder with Scholastic and it usually arrives within a few days. **Unfortunately, due to COVID restrictions parents will not be able to attend the Book Fair this year.**

Every sale of a book earns our school commission which is used by the LARC and Library to purchase many new books for the children to borrow and read. It would be wonderful to have everyone's support for this event even if we have to run it at a different time this year.
